

SPECIFYING NUMBER OF ATTEMPTS

Blackboard faculty can specify the number of attempts for an online test. After the test is created, do the following:

1. Go to the Control Panel and choose the content area.
-or-
Go to the content area and click **Edit View**.
1. Click **Modify**.
2. Select **Modify Test Options**.
3. Check the **Multiple Attempts** checkbox.
4. Click the radio button next to **Number of Attempts** then input the appropriate number.
