¹Mathematics: Check with the intended transfer college or university to ensure that the appropriate math courses and sequencing are selected.

²Lists of courses that fulfill the requirement for (1) Social Science Elective and (2) Science with Laboratory Elective can be found on PVCC's Web site (http://www.pvcc.edu/docs/approved_electives.pdf).

³To meet the humanities elective for this program, no more than one introductory foreign language course (101 or 102 level) may be used.

Although a course fulfills a requirement for a PVCC program, it is possible the course will not fulfill a requirement at a four-year institution. Students who plan to transfer need to be aware of the four-year institution's requirements.
