Admission Requirements: In addition to admission to the College, there are specific admission requirements for this program. Contact the division office listed above for additional information.

Admission Process: Student must select Nursing AAS as his/her program of study on the College's Web application. If currently enrolled in a program of study student is required to meet with a counselor to change his/her curriculum of study. Students are strongly encouraged to meet with the assigned faculty advisor or a counselor prior to selecting first semester courses. In subsequent semesters students should consult with the assigned faculty advisor prior to course enrollment.
