RE: INTENT TO ATTEND OR STAY ENROLLED CONFIRMATION
We have received information that you have withdrawn from one or more of your classes for this current term.
Our records also show that you are still pre-registered for one or more classes that have not yet started this term.
Because not all of your classes for the term were full-length (10 weeks or more) we must confirm your intent to
stay enrolled in and attend any classes that have not yet started.

FEDERAL WITHDRAWAL REGULATIONS FOR LESS-TAN-FULL-TERM CLASSES
Federal regulations require that we calculate how much aid must be returned assuming you will not stay enrolled
in any classes that have not yet started. However, if you return this “Intent to Attend Confirmation” we can
confirm if you still qualify for all or part of your financial aid for the current term.

WHAT DOES THIS MEAN?
If you do not confirm your intent to attend late starting classes for which you have registered this term (but that
have not yet started) and you have not completed 61% of the term, we are required to calculate how much
financial aid you have earned. There would be a portion we would have to return to the federal aid programs. You
would then owe a balance due to the College.

WHAT DO I NEED TO DO?
You need to complete and return this form to the financial aid office confirming your intent to stay enrolled in any
classes that have not yet started for this term. If you do not plan to stay enrolled in the late starting class(es) listed
below you need to properly withdraw.

INTENT TO ATTEND OR STAY ENROLLED CONFIRMATION
