The “I” grade is to be used only for verifiable unavoidable reasons when a student is unable to complete a course within the normal course time.

To be eligible to receive an “I” grade, the student must (1) have satisfactorily completed more than 60% of the course requirements and attendance and (2) must request the faculty member assign the “I” grade and indicate why it is warranted.

The faculty member assigning an “I” grade must complete the section below stating (1) the reason for assigning the grade; (2) the specific work to be completed and its percentage in relation to the total work of the course; (3) the date by which the work must be completed; and (4) the default grade (B, C, D, F, P, R, or U) based upon course work already completed. The A grade may not be awarded as a default grade. Completion dates may not be set beyond the subsequent semester (to include summer term).
