Official Application of

Piedmont Engineering Club

Please provide the following information to be considered for membership in the PEC:

1. A brief description of your engineering interests. Please include related classes you've taken, your education and career goals and any other experience you've had with engineering (jobs, projects, etc).
2. State your area of study at PVCC.
3. Describe what kinds of activities you would be interested in, should you be accepted to PEC. Give some specific ideas of demonstrations, lectures or projects that you would want to do.
4. How long you have been at PVCC and how long you plan to be here.
5. Send an email to pec@pvcc.edu. Please include your full name, mailing address and phone number in the text.
6. If you prefer, you may email in plain text the above requirements, but you still MUST fill out and sign this application.

Please print neatly and return to "Completed PEC Applications" envelope on Student Activities bulletin board (near student lounge). You will be contacted by email within 2 weeks of receipt of the application. You may use the back of the application for #s 1-4.
