

## Fall to Fall 3-Year Retention Summary

Piedmont Virginia Community College (PVCC) reports retention as measured by the VCCS. VCCS protocol includes graduates in fall to fall retentions. For example, if a student is enrolled in a fall semester, graduates in the subsequent spring semester, and does not enroll in the following fall, this student would be counted as a student who did not retain. Additionally, PVCC has a large number of students who transfer or subsequently enroll at 4-year institutions (See Subsequent Enrollment of Graduates Report). These students are not excluded from this report and would be counted as a student who did not retain.
