REVISED 8/24/2020

Welcome to Piedmont Virginia Community College. We hope you will find this Student Handbook a useful guide as you pursue your educational goals.

PVCC is a diverse community. Students begin baccalaureate study here. They take advantage of a wide range of career services and programs of study to prepare for careers right here in Central Virginia. They also learn for the sheer joy of it. High school students find academic enhancement, employers find a provider of high-quality workforce development programs, and alumni find a way to reconnect. Everyone who enjoys the arts find a diverse schedule of visual and performing arts in our V. Earl Dickinson Building. Because of our diversity, it is important to remember what unites the communities of PVCC. We are united by what we believe.

WE BELIEVE...

...that a college education should be available to all. Economic status and past academic achievement should not be barriers to opportunity. We do not seek out the educational winners; we make winners out of anyone willing to try.

...in our students. We do not measure success by people's achievements when they enter, but rather by their skills and abilities when they leave. We are committed to helping our students succeed.

...in the power of teaching. Our faculty is second to none. We insist on rigorous standards but also strive to create a supportive environment in which students can achieve.

...in our community. We develop programs with area employers – hospitals, businesses, technology companies – to give students the skills they need to advance in the workplace.

And we also believe that we can always improve. I welcome your comments and ideas on how PVCC can better meet the ever changing higher education needs of Central Virginia.

Frank Friedman
President
Piedmont Virginia Community College

Welcome to Piedmont Virginia Community College. The faculty and staff of PVCC know what an important time this is for you as you enter a new academic community and make an important transition in your life. Together we want to do everything we can to make this year a success. That's really what this student handbook is all about.

There are two ways to go through your courses, two ways to go through PVCC and really two ways to go through life. One way is simply to do the minimum, sit on the sidelines, remain passive and expect little from yourself and others. That's an option, but not a very meaningful or exciting one.

The second way is to become an active participant in your own education, to commit fully and to expect the most from yourself and the college. This active route requires you to go the extra mile in your classes, savor new experiences, take some risks and make connections with faculty and staff that can help you.

Take advantage of all the skill, experience and resources that we offer both inside and outside of the classroom. Use this handbook to put you in touch with the people, the services, and the policies to guide you in this important journey.

ENROLLMENT

Enrollment procedures and class times are published each semester in the schedule of classes, available online at www.pvcc.edu several weeks before enrollment. The schedule is usually available about four to six weeks prior to the beginning of classes. Questions about enrollment not answered in the schedule of classes should be directed to the Admissions and Advising Center. Students are responsible for assuring that their enrollments are what they intend and that adds, drops, swaps, and withdrawals are implemented as expected.

The enrollment period begins several weeks prior to the beginning of classes, and is available online for students who have completed the admissions process. Students are encouraged to enroll early. Schedules may be adjusted by adding, dropping, and/or swapping classes throughout the enrollment period. After the add/drop period, a student may drop classes or withdraw completely only in accordance with regulations stated in the current college catalog.

Students are urged to promptly report any changes in status online using MyPVCC or at the Admissions and Advising Center so official records are accurate and up-to-date. Address and telephone number changes are especially important so that correspondence from the college can reach you without delay. Please note that international students are required to notify the dean of student services and the Immigration and Naturalization Service of any address changes within five days.

Advising Services

The college provides a strong advising program to assist students in making sound decisions regarding occupational, educational, and personal goals. Advisors are trained professionals that help both new and continuing students explore their options, help monitor academic programs, and suggest strategies to improve student success. Advising services are provided by full time advising staff and faculty advisors that rotate through the Admissions and Advising Center

All students are also encouraged to seek information and assistance from the Admissions and Advising Center with academic, career planning and curricular planning for graduation.

Advisors provide support services by aiding in a student's curriculum choice, by providing individual and group counseling sessions, and by acting as a resource to faculty in their advising and instructional functions.

If students should require assistance beyond the scope of the services of the counseling staff, referral to other qualified persons or agencies will be offered.

CRISIS MANAGEMENT AND REFERRAL

PVCC has a “Crisis Management Plan” that ensures that any student in the midst of a crisis will receive counseling intervention and, if necessary, referral to appropriate agencies.

Counselors are also available to assist students in recognizing and dealing with problems that may affect their academic progress. Counselors see students for a variety of interpersonal, developmental, and mental health concerns, including anxiety and depression. Students that are experiencing these symptoms should go to the Admissions and Advising Center to schedule an appointment. The college has also established a cross-disciplinary Threat Assessment Team that identifies potential threats and concerns and provides interventions, support, and referrals.

Orientation/Student Success Courses

An orientation program is offered to assist students in making a success of their experience at Piedmont Virginia Community College. The orientation program generally begins before enrollment when students are asked to meet with a counselor or advisor for a program-planning interview.

Students in all associate degree programs and some certificate programs are required to take a one-credit SDV elective. First-time college students should take a student development course during their first semester. SDV courses provide information and skills to help students succeed at college and assist in students’ educational, career, and life planning. Counselors and faculty members serve as instructors of student development courses.

New Student/Undecided Student Advising

New students and undecided students receive their general course advising through the Admissions and Advising Center. Student services specialists provide assistance in general advising and course selection. Admissions and Program Advisors, faculty and counselor assist students in developing an educational goal and in selecting appropriate courses.

Transfer Planning

Students can access comprehensive transfer services in the Admissions and Advising Center. Advisors help students choose a transfer institution, select an appropriate PVCC program of study, make application to 4 year schools and select transfer courses. The Director of the Advising and Transfer Programs supervises these transfer services. For a complete list of transfer services go to: www.pvcc.edu/transfer/transfer.asp .

Efforts will be made toward meeting reasonable requests for services to students with disabilities eligible under *Section 504 of the Rehabilitation Act of 1973* and the *Americans with Disabilities Act (ADA)*.

In order to qualify for services, the student must provide clear and specific evidence that documents a formal diagnosis of a disability from a qualified professional.

STUDENT FINANCIAL AID

General

It is the desire of the college that no qualified student should be denied the opportunity of enrollment because of financial need.

The Financial Aid Office and campus financial aid specialists provide students with counseling, applications, and information about state, federal, and institutional sources of financial assistance including loans, grants, scholarships, and work-study. Assistance is available to qualified students who enroll in at least one course of an eligible academic plan. Application for state, federal, and most institutional programs requires completion of the Free Application for Federal Student Aid (FAFSA) for the appropriate award year.

Detailed information on scholarships, grants, loans, on- and off-campus and community service employment, and applications may be obtained from the Financial Aid Office. Information may also be found in the current college catalog and on PVCC Web site.

Financial Aid Policy of Satisfactory Academic Progress

To be academically eligible for student financial assistance, a student must be making satisfactory academic progress toward his/her degree or certificate program. To accurately measure a student's progress, the PVCC Financial Aid Policy of Satisfactory Academic Progress will incorporate a *qualitative (GPA)* measure of progress, a *quantitative (Completion Rate)* measure of progress, and a *time (150% Rule)* measure of progress. This policy became effective July 12, 2005.

GPA Requirements (GPA Rule)

In order to remain eligible for financial aid, students must meet minimum cumulative grade point average requirements. Only non-developmental courses with grades of A, B, C, D, and F are included in this calculation. Transfer credits are excluded. In order to graduate, a minimum cumulative grade point average of 2.0 is required.

Total Number of Credits Attempted	GPA Requirement
1-15	1.5
16-30	1.75
31+	2.0

Completion Rate (67% Rule)

Students must receive satisfactory grades in 67% of cumulative credits attempted. This evaluation is made prior to financial aid being awarded and after grades are posted at the end of each semester a student is enrolled at the College. Credits with satisfactory grades are those for which a grade of A, B, C, D, S or P is earned. Developmental and ESL coursework are included in this calculation. Accepted transfer credits will be counted as both attempted and completed.

Maximum Hours (150% Rule)

In order to continue to receive financial aid, a student must complete his or her program of study before 150% of the credits required have been attempted. Developmental and ESL course work are excluded in this calculation. Attempted credits from all enrollment periods plus all accepted transfer credits are counted. All terms of enrollment are included whether or not the student received financial aid and regardless of the age of the coursework.

Developmental and ESL Courses

Students may receive financial aid for a maximum of 30 semester hours of Developmental Studies courses as long as the courses are required as a result of placement testing, the student is in an eligible program of study, and satisfactory academic progress (SAP) requirements continue to be met. ESL credits are unlimited in numbers as long as they are taken as part of an eligible program and SAP requirements continue to be met.

Financial Aid Warning Status (WS)

Students who fail to meet satisfactory academic progress (SAP) for the first time will be automatically placed in a Warning Status for one (1) term and are expected to meet satisfactory academic progress (SAP) requirements by the end of that term. Students who fail to meet satisfactory academic progress requirements at the end of the warning status term will lose their eligibility for financial aid.

Financial Aid Probation Status (PS)

Students who have successfully appealed the loss of their financial aid are placed on probation. Students on probation are eligible to receive financial aid for one (1) semester, after which they MUST be meeting all of the satisfactory academic progress standards OR the requirements of an academic progress plan that was pre-approved by the Financial Aid Office.

Financial Aid Suspension Status (SS)

Students who do not meet the credit progress schedule and/or the cumulative grade point average standard, or who fail to meet the requirements of their pre-approved academic progress plan will be placed in suspension status and are not eligible for financial aid.

Repeated Coursework

Students can repeat courses with financial aid until successfully completed. There is no limit assuming all other SAP requirements are met. Students may only repeat a passed course once as long as it is in order to meet an academic standard (i.e., a higher grade is required for their program of study). Repeated coursework will be included in the evaluation of completion rate and maximum timeframe. Only the latest grade will count towards the cumulative grade point average.

Appeals

Under certain circumstances, students who fail to meet satisfactory academic progress (SAP) standards and lose eligibility for financial aid can appeal the financial aid suspension (SS). Appeals will be evaluated by the Financial Aid Office and all decisions are final.

A link to the complete Satisfactory Academic Progress (SAP) Policy can be found at:

http://www.pvcc.edu/docs/policies/policy_satisfactory_academic_progress.pdf

PRIOR PERIODS OF ENROLLMENT

All of the qualitative and quantitative standards of progress must be applied to all prior period(s) of enrollment. Federal regulations require that a student must be in compliance with the school's satisfactory academic progress policy before receiving a financial aid award. These guidelines must be applied to any student requesting financial aid, even if the student did not receive financial aid in the past.

PLEASE NOTE: Students who have defaulted on a federal student loan or owe a refund on a federal grant will not be eligible, nor will they receive any future financial aid until the loan or grant obligation is satisfied.

ADDITIONAL POLICIES GOVERNING SATISFACTORY ACADEMIC PROGRESS (SAP) AT PIEDMONT VIRGINIA COMMUNITY COLLEGE

- Financial aid programs included under this policy are the Pell Grant, FSEOG, Federal Work Study, COMA Grant, VGAP Grant, PTAP Grant, CSAP Grant, and all other state or federal grants, [Direct Loans](#) and PLUS Loans.
- Students who have reached the 150 percent point of enrollment *may* have federal student loan eligibility in *some* circumstances.
- For purposes of defining credits completed concerning developmental course credit the following will apply: S grade is considered a completed course. U grade is considered an incomplete course.
- A student who receives only grades of F, W, U, X and I during a semester do not indicate course completions and are unsatisfactory.
- A student who does not maintain satisfactory academic progress cannot regain their eligibility on the basis of a change of curriculum.
- Returning financial aid students should be aware of any changes to the PVCC SAP Policy.
- Courses taken for audit are not eligible for financial aid.
- Federal regulations allow a student to receive financial aid for only the equivalent of the first 30 semester credit hours of developmental studies attempted, regardless of whether or not the student received any financial aid for these developmental credit hours.

Refunds/Recovery

When a Title IV (Federal Student Aid) recipient completely withdraws, drops out, or is expelled after receiving a disbursement, the college will determine whether the student has received an overpayment. If the federal aid disbursed exceeds the amount earned, the unearned funds must be returned. The college will calculate this amount based on a federally-mandated formula and will notify the student. The percentage of federal aid earned is equal to the percentage of the period of enrollment completed as of the student's withdrawal date. If this date occurs after the 60 percent point, 100 percent of the aid is considered to have been earned. Federal work-study earnings are not included. Loans will be repaid by the student in accordance with the terms of the promissory note.

The college will notify the student of the amount owed and will attempt to collect the repayment to federal student aid programs. If the student does not pay the determined amount he or she will be ineligible for further federal student aid and will be reported as being an overpayment. The student may be referred to the U. S. Department of Education for collection for failure to pay or failure to make payment arrangements. Payments that are collected from the student will be returned to the appropriate program accounts within 30 days of receiving the student's repayment. Repayments will be distributed in the following order: Unsubsidized Stafford Federal Direct Loans; Subsidized Stafford Direct Loans; Federal Direct PLUS Loan Program; Federal Pell Grant Program; Federal Supplemental Educational Opportunity Grants Program; and other Title IV programs.

Students withdrawing will have their academic progress evaluated and, even though a student may have repaid part or all of an award, failure to make satisfactory academic progress could result in loss of aid in future semesters.

Recalculation of Awards/Repayment for Non-Attendance

If a student fails to begin attending any class, financial aid awards will be recalculated. This may occur at any point during the semester/term that the Financial Aid Office is made aware of the situation and it may affect a student's enrollment status. In most cases, however, calculation of the award will be based on enrollment status on the last day to drop with a tuition refund.

Work-Study Opportunities

The college offers both on- and off-campus, part-time employment opportunities for students who qualify for the federal or work-study programs. Federal work-study is a need-based program and students are awarded work-study based on eligibility and funding. Student who have been awarded work-study may access a list of available positions at http://www.pvcc.edu/career_services/work_study_orientation.php

STUDENT ACTIVITIES

The student activities program seeks to assist students and the faculty in reaching the goal of integrating a variety of educational, cultural, recreational, and social experiences with the college instructional program.

Types of student activities include the following: student government, publications, intramurals and recreation, dramatic activities, political organizations, professional and service organizations, and music activities. All student clubs and organizations work with an advisor or sponsor from the faculty and administration.

ACTIVITIES CALENDAR

The Office of Student Engagement and College Life maintains an activities calendar. All campus-wide activities and events of interest to the college generally appear on the calendars. All events sponsored by campus groups must be scheduled through that group's advisor. These will appear on the activities calendar. Dates of activities will also be posted on the college Web site calendar.

PUBLICITY

Student organizations are responsible for their own on-campus publicity for activities. On-campus publicity must be approved by the organization advisor. Students should check with the Student Activities Office for details concerning other publicity policies. The avenues for publicity include flyers on bulletin boards, AXIS TV, The Forum, and occasionally student wide emails.

PUBLICATIONS

A student, group, or organization of the college may not distribute written material on campus without prior approval of the faculty advisor or Coordinator of Student Engagement and College Life. Approval shall be granted unless the material is libelous, obscene, or preaches the disruption of normal college activities. Editorial freedom of the student press entails a corollary obligation under the canons of responsible journalism. All student communication shall explicitly state on the editorial page that the opinions expressed are not necessarily those of the college or its student body.

EXPRESSIVE ACTIVITY POLICY

According to [Virginia Code §23.1-401.1](#), "Except as otherwise permitted by the First Amendment to the United States Constitution, no public institution of higher education shall abridge the constitutional freedom of any individual, including enrolled students, faculty and other employees, and invited guests, to speak on campus."

PVCC stands in full support of the First Amendment and believes in expressive activity for members of our community. This section is designed to explain how PVCC incorporates the rights of citizens within the academic environment to ensure full compliance with the law while allowing for student learning and engagement.

The aforementioned state code, also called the "speech law", addresses protected speech in the higher education environment.

The purpose of this policy is to set out the policy and procedures that will govern all expressive activities on campus. This applies to all buildings, grounds, and other spaces owned or controlled by Piedmont Virginia Community College (PVCC). The term "expressive activity" includes:

- Meetings and other group activities of students, student organizations, faculty, staff, and outside groups;
- Speeches, performances, demonstrations, rallies, vigils, and other events by students, student organizations, faculty, staff, and outside groups;
- Distributions of literature, such as distributing leaflets and pamphlets; and
- Any other expression protected by the First Amendment to the U.S. Constitution.

College property is primarily dedicated to academic, student life, and administrative functions. However, it also represents the vitally-important function of providing a "marketplace of ideas," and especially for students, many areas of campus represent a public forum for speech and other expressive activities. PVCC will place restrictions on expressive activities occurring indoors that are likely to create a significant disruption to normal college operations, but the outdoor areas of campus remain venues for free expression, including speeches, demonstrations, and the distribution of literature.

Indoors or outdoors, PVCC shall not interfere with the rights of individuals and groups to the free expression of their views or regulate their speech based on its content or viewpoint. Even though PVCC has established reasonable time, place, and manner restrictions on expressive activity in order to prevent significant disruption of normal college operations, such restrictions are content-neutral, narrowly tailored to serve a significant college operational interest, and allow ample alternative channels for communication of the information.

No event or expressive activity shall be permitted to violate or hinder the rights of others within the campus community or substantially disrupt normal college operations. Hindering the rights of others, however, shall not be defined as promoting ideas that others find disagreeable, offensive, or even repulsive. Promoting unpopular ideas is fully protected. Examples of hindering the rights of others include, but are not limited to, preventing others from

expressing their views; threatening violence against another person (something more than hypothetical) or engaging in violent acts; acting aggressively to try to force others to take leaflets or brochures after the person has declined; blocking others' paths anywhere on campus; and other similar acts to deprive others of their rights.

The Vice President for Finance and Administrative Services shall be responsible for implementing the policy and is the appropriate official to receive inquiries about the policy. Procedures for Reserving Campus Facilities:

1. If students, student organizations, or college employees desire to reserve campus facilities, they shall submit their requests to the Vice President for Finance and Administrative Services. Requests must be made with at least 48 hours' notice. Under extraordinary and rare circumstances, more notice may be required to allow for sufficient logistical support and to ensure the safety and security of the campus. No facility request will be denied due to the nature of the topic to be discussed. Requests may only be denied for the reasons listed under this policy.
2. If individuals or organizations who are not members of the college community (i.e., not students, student organizations, or college employees) desire to reserve campus facilities, they must be sponsored and/or approved by a recognized student organization or the College to conduct expressive activities or events on campus. These individuals or organizations shall submit their requests for sponsorship or approval consistent with PVCC Policy II-100.0. No facility request will be denied due to the nature of the topic to be discussed. Requests may only be denied for the reasons listed under Section D (5) of this policy.
3. The college will assess appropriate fees for equipment and facility use to users who are not members of the campus community, as per PVCC Policy II-100.0. Reasonable security fees will be assessed to defray the actual costs of providing security when the size of the audience may pose a risk to safety. Security fees shall not be assessed based on the anticipated reaction to the expressive activity.
4. Facilities available for use are available only during normal operating hours or as otherwise posted. Any and all expressive activities must not create noise levels that interfere with students' ability to study and learn in the classroom, library, and other rooms or that interfere with the ability of the college to conduct normal operations on behalf of students.
5. Students, student organizations, and college employees may request to reserve campus facilities on a first-come, first-served basis. These requests may be denied for the following reasons only:
 - a. The requested venue is an indoor facility that the college has designated as not available for expressive activity under section F of this policy;
 - b. The requested venue is an indoor facility and the request conflicts with restrictions enacted pursuant to section D (4) of this policy;
 - c. The venue is already reserved for another event;
 - d. The activity will attract a crowd larger than the venue can safely contain;
 - e. The activity will substantially disrupt another event being held at a neighboring venue (The expression of competing viewpoints or multiple speakers in proximity to each other does not, without more, constitute a substantial disruption)
 - f. The activity will substantially disrupt college operations (including classes);

- g. The activity is a clear and present threat to public safety, according to the college's police or security department;
 - h. The activity will occur during college examination periods;
 - i. The activity is unlawful
6. During an event, the student, student organization, or college employee requesting the reservation is responsible for preserving and maintaining the facility it reserved. If it causes any damage to those facilities, the person(s) or organization (and its officers, if applicable) shall assume full responsibility.
 7. When assessing a request to reserve campus facilities, the college will not under any circumstances consider the content or viewpoint of the expression or the possible reaction to that expression. The college will not impose restrictions on external groups, students, student organizations, or college employees due to the content or viewpoint of their expression or the possible reaction to that expression. In the event that other persons react negatively to a student's, student organization's, college employee's, or external group's expression, college officials (including college police or security) shall take all necessary steps to ensure public safety while allowing the expressive activity to continue.

Spontaneous Expressive Activity

For outdoor campus facilities and areas, students, student organizations, and their sponsored guests may freely engage in spontaneous expressive activities as long as they do not

- a. block access to campus buildings,
- b. obstruct vehicular or pedestrian traffic,
- c. substantially disrupt previously scheduled campus events,
- d. substantially disrupt college operations,
- e. constitute unlawful activity; or
- f. create a clear and present threat to public safety, according to the college's police or security department.

The Bolick Student Center, North Mall Meeting Room, Dickinson Theater, and Fried Community Room are indoor areas that are available for spontaneous expressive activity, as long as noise levels do not become excessive to the degree that it interferes with classrooms and labs, the library, and offices in their ability to operate efficiently. Because of the configuration of the Bolick Student Center, it will not be available for any expressive activity, spontaneous or otherwise, that requires it to be blocked off from other areas during the activity because of the significant disruption in college operations this would create.

Areas Not Available for Expressive Activity

The following indoor areas/facilities are not available for expressive activity:

- Library
- Administrative/business offices

- Classrooms and labs (during instructional hours)
- Bookstore
- Café
- Hallways
- Entrances to buildings within 25 feet of doors

Banners and Distribution of Commercial Materials

Banners used in expressing speech should be stand-alone, should comply with the provisions of this policy, and cannot be used to block, obstruct, or otherwise deny access to any pedestrian, block or obstruct vehicular traffic, deface any college or private property, create safety hazards, or require employees to assist with their deployment.

Distribution of commercial as well as noncommercial advocacy advertising or the placement of commercial and non-commercial material must follow PVCC Policy II-40.0, and is prohibited in the following areas

- Administrative offices
- Classrooms, computer rooms, laboratories, and all other places where instruction takes place
- Libraries
- Bulletin boards that are not listed as open bulletin boards under Policy II - 40.0

Expressive Activity Policy - Frequently Asked Questions

1. What is expressive activity? (The words “speech” and “expressive activity” may be used interchangeably.)

Expressive activities are speech-related activities, including:

- meetings;
- other group events or activities by student organizations or their invited guests;
- speeches;
- performances;
- demonstrations;
- rallies;
- vigils;
- distributions of literature; and
- any other activity protected by the First Amendment.

2. What kind of speech is protected by the First Amendment?

The U.S. Constitution protects most speech, with very limited exceptions. In outdoor spaces, the college may place reasonable limits only on the time, place, and manner of your expressive activity, and those limits must not depend on the content or viewpoint of the expressive activity. In addition, for outdoor areas, students, student organizations, and their guests are not required to give notice before engaging in expressive activity. In other words, students, student organizations, employees, and guests may engage in spontaneous expressive activities as long as they do not engage in any of the conduct listed in Number 3 below. (There may be exceptions to this general rule; for example, your college may have an outdoor facility that requires a reservation to use.)

Indoors, colleges may place restrictions on expressive activities, as long as any rules apply to everyone equally and are not based on the content or viewpoint of the speech. The college may determine that certain indoor facilities are not available for expressive activity. Common examples of such areas include: (1) administrative offices, (2) libraries, (3) hallways, and (4) classrooms during instructional hours.

3. What kind of actions related to protected speech can be regulated?

Most speech is protected by the Constitution, but sometimes, the actions that a speaker takes during an expressive activity are disruptive enough to allow a college to intervene, regardless of what is actually being expressed. For outdoor facilities and areas, students, student organizations, and their guests may freely engage in expressive activity as long as they do not also engage in any of the following:

- block access to campus buildings;
- obstruct traffic (vehicles or pedestrians);
- substantially disrupt previously scheduled campus events;
- substantially disrupt college operations or violate or hinder the rights of others;
- break the law; or
- create a threat to public safety, according to the college's police or security department.

4. How can someone reserve campus facilities for speech activities?

a. Request submission

Contact office of the Vice President for Finance and Administrative Services to reserve campus facilities. Spaces are reserved be on a first-come-first serve basis. The college can state in advance that certain spaces cannot be reserved for speech activities. Common examples include libraries, offices, hallways, and classrooms during instructional hours. Any other restrictions on expressive activities that occur in indoor facilities must apply equally to everyone and not depend on the content or viewpoint of the expression, or the possible reaction to the expression.

b. Timing

Colleges usually cannot require more than 24-hour advance notice unless the event requires additional planning to ensure safety and sufficient logistical support. You are encouraged to request the facility as soon as possible.

c. Denials

When assessing a request to reserve a facility, the college must not consider the content or viewpoint of the expressive activity, or the possible reaction to the expressive activity. If a facility or space is generally available to be reserved, the college can refuse a reservation by a student, student organization, or employee only for the following reasons:

- The venue is an indoor facility that has been designated as unavailable for reservation.
- The venue is an indoor facility and the request is in conflict with any restrictions the college has placed on the facility. For example, a restriction could be that the indoor facility is unavailable on the weekends.
- The venue has been reserved already at the time requested.
- The size of the anticipated crowd is too large for the space.
- The activity would substantially disrupt another event occurring in close proximity.
- The activity would substantially disrupt college operations.
- The activity is a clear and present threat to campus safety, according to police or security.
- The activity occurs during college exam periods.
- The activity is against the law.

d. Responsibility for the space

Anyone who reserves a facility or space is responsible for maintaining the space and will be responsible for any damages, cleaning costs, or other costs.

5. Is the college required to have indoor areas available for spontaneous expressive activities?

No. The college is not required to have an indoor area designated for spontaneous speech activities. However, if it chooses to create one or more, college officials must post that the area is available for students, student organizations, employees and guests to engage in expressive activities. The area must be available for all students, student organizations, employees, and guests equally, and not depend on the content or viewpoint of the expression or the possible reaction to it.

6. What do I do if someone or a group tries to disrupt my, my organization's or invited guest's speech?

To report a disruption of protected speech, complete an [Incident Report](https://cm.maxient.com/reportingform.php?PiedmontVirginiaCC) (<https://cm.maxient.com/reportingform.php?PiedmontVirginiaCC>) or contact the office of the Vice President for Finance and Administrative Services.

In case of an emergency, please call 911 or PVCC Police at 434.981.6362.

SOLICITATION AND DISTRIBUTION OF MATERIALS ON COLLEGE PROPERTY

The college welcomes and respects the free expression of ideas. In order that these activities not be disruptive to the regular operations of the college, conditions of time, place, manner, and frequency will generally be established by the Dean of Student Services. The following procedures will apply:

- A. When no special facilities, equipment or services (e.g., rooms, audiovisual equipment, duplicating equipment, maintenance or set-up services) are requested of the college:

1. Distribution of materials or solicitation may be conducted with prior approval from the Dean of Student Services.
 2. Any material remaining after the distribution or solicitation must be properly discarded. Sponsors will be responsible for any littering.
- B. When special facilities, equipment or services are requested of the college:
1. Contact the Dean of Student Services in the Admissions and Advising Center.
 2. A request for audiovisual or maintenance services must be submitted in accordance with campus policy.
 3. Arrangements for facilities must be made at the time the request is made.
- C. No commercial distribution or solicitation is permitted except with the approval of the Dean of Student Services or designee. Approval will be subject to regulation as to time, place, and manner to assure non-interference with operations of the college.
- D. All distribution or solicitation must be conducted with regard to conduct regulations contained in the current student handbook and club activity manual.
- E. College jurisdiction extends to the property boundaries of the college. Jurisdiction also includes all property owned, leased, controlled, used, or occupied by the college except where the college may be bound by legal restrictions which may be contrary to these regulations.
- F. Posting of printed materials by students and nonstudent groups will follow established campus procedures as to location, time limits, and responsibility for removing posted items. Approval for posting is granted only by the guidelines established by the college. Materials printed in a foreign language must be presented in the English translation prior to approval for posting.

INTRAMURALS/RECREATION

Recreational events that are adaptable to intramural and extramural competition are encouraged, and are a part of the total student activities program at PVCC. The primary purpose of the recreation program is to provide an opportunity for students to participate in a variety of activities on a self-directed, self-selected basis.

The intramural recreational opportunities at the college may include the following:

Basketball	Cross Country	Fitness Center
Golf	Soccer	Tennis
Table Tennis	Ultimate Frisbee	Board Games

*Students who are interested in pursuing some form of activity that is not listed should contact the student activities director.

STUDENT ACTIVITY FUNDING

Student activity funding is established to support all entities of the student activity program. The funds are derived from the college local revenue account which is in part generated from student activity fees. This fund is operated and controlled by the PVCC Board under methods and procedures established by the Virginia Community College System and approved by the state auditor. During spring semester, budget requests are submitted to the director of student activities and the Student Services Committee. Upon approval by the president's staff and the PVCC Board, monies are allocated for the ensuing year.

STUDENT GOVERNANCE

Students at the college are involved in student governance in many different ways. College-wide committees consisting of faculty, staff, and administration also include student members. The College Senate has three permanent seats for students and one for a student alternate.

In addition, students are primarily represented by the Student Government Association. The SGA has representation from all student clubs/organizations, the College Senate, and at-large student members. The Student Government constitution describes in detail the purpose and structure of this organization.

STUDENT ORGANIZATIONS

Organizations may be established, as hereinafter provided, within the college for any legal purpose. Affiliation with an extramural organization such as a national society shall not, in itself, disqualify the college branch or chapter from institutional privileges. Specific policies related to establishment of student organizations are as follow and as stated in the following section, *Policies and Procedures for Recognition of Student Groups*.

- A. Full membership lists, including a list of officers of each student organization and copies of the organization's mission statement will be filed and maintained with the college student activities director.
- B. Private clubs, private associations, social fraternities, and social sororities will not be recognized by the college.
- C. All organization funds will be deposited with and expended through the PVCC Business Office and are subject to policies, procedures, and regulation pertaining to such funds as established by the State Board for Community Colleges.

- D. Recognition of an organization implies neither college approval nor disapproval of the aims, objectives, and policies of the organization. Recognition means only that the organization may use college facilities and receive other support as provided by college policies.
- E. Any organization that engages in illegal activities on or off campus may have sanctions imposed against it including admonition, probation, or withdrawal of college recognition.
- F. There must be a full-time faculty or staff advisor for each student organization.
- G. College facilities may be assigned to student organizations and community civic groups for regular business meetings, social programs, and all programs open to the public, unless in the opinion of the president, the group or the planned program poses a serious threat to the continued well-being and safety of the college.
- H. Reasonable conditions may be imposed to regulate the timeliness of requests, to determine the appropriateness of the space assigned, to regulate time and use, and to insure proper maintenance.
- I. An individual, group, or organization may use the college name only with the expressed authority of the college.
- J. Student organizations, including their officers and members, have no authority to speak for the college or commit the college to any agreement or undertaking. The college reserves the right to supervise on-campus activity, but does not assume any obligations to do so.

POLICIES AND PROCEDURE FOR RECOGNITION OF STUDENT GROUPS

The following policies and procedures regarding the development of student groups are established to provide an orderly and timely process of official recognition to those groups organized to provide a particular service in keeping with the college's missions and goals. It is recognized that small groups of students may wish to meet, often on a short-term basis, to support a particular curricular or service interest. Because of the informal or temporary nature of the group, development of a mission statement may not be necessary. Such an interest group may be formed as noted in Section A of the following procedures. Those student groups anticipating a more continuing function and seeking college funding will go through a process of official recognition as a college organization.

Recognition as a College Organization

1. Initiating the Process

- a. Any group of students wishing to form a recognized club or organization should contact the Coordinator of Student Engagement and College Life and obtain the necessary forms from the student activities director and manual.
- b. An application for full recognition and a mission statement shall be completed and approved by the student activities director and the dean of student services. Notice of approval or disapproval of the application will be made by the student activities director.

- c. An organization advisor designated from the full-time college teaching, administrative faculty, or staff will be required.
- d. Until recognition has been granted, the group will not be allowed to use the college name in its title and no college funds or services will be provided to the group. However, the campus locations for meetings and activities may be designated.
- e. The group may sponsor revenue-producing activities.
- f. Funds collected or disbursed must be accounted for according to college and state fiscal policies.

2. Final Processing

- a. As soon as the mission statement is reviewed and an advisor is secured the club may become active and enjoy all the privileges for clubs and organizations.
- b. Once an organization has been fully recognized, it may utilize funds for approved purposes. If a club missed the deadline for requesting funds for an academic year it may request seed money from the Office of Student Activities.
- c. Approved use of money and activities and all other information pertinent to having a successful club can be found in the student activity manual. This manual can be obtained from the Coordinator of Student Engagement and College Life.
- d. Accountability of aforementioned funds is critical and as stated in the student activities manual is a major parameter for disbursement of funds the following year.

Loss of Recognition

Possible reasons for loss of recognition are:

- Evidence of failure to comply with college, local, state policies and regulation (financial policy, policy on scheduling of events, etc.)
- Evidence of failure to comply with its own mission statement.

Procedure Following Loss of Recognition

Funds accrued in the organization's account will revert back to the student activities account. An organization may be declared inactive and lose recognition by the Dean of Student Services and Coordinator of Student Engagement and College Life. Appeal of this action may be submitted to the Student Government Association, Dean of Student Services and Coordinator of Student Engagement and College Life.

OFFICE OF STUDENT ENGAGEMENT AND COLLEGE LIFE

This office is responsible for coordinating and implementing the policies and procedures pertaining to the operation of campus organizations and activities. In addition to assisting the Student Government (where applicable), student publications, and clubs, the Student Activities Office helps individual students, informal groups, and faculty and staff to develop new activities and services to meet the needs of the campus community. Contact this office to find out what types of programs have been established at PVCC.

If students see a need that is not being met they are encouraged to tell someone about it, or better yet, DO something about it. Suggestions and requests for social, cultural, recreational, and co-curricular activities are most welcome.

STUDENT PUBLICATIONS

Students are responsible for developing student publications that respond to the needs of the College. PVCC has a newspaper, ***The FORUM***.

PRIVACY OF STUDENT RECORDS

The college is obligated to annually notify students of the *Family Educational Rights and Privacy Act of 1974, Sec. 438, Publ. L. 90-247*, as amended, which sets forth requirements governing protection of a student's right to privacy in educational records, and which affords students the right to inspect such records.

If a student believes the college has failed to comply with the above Act and/or regulations, he/she may file a complaint with the U. S. Department of Education; or alternatively, he/she may follow the college's procedures by contacting the dean of student services. The college has adopted a policy that summarizes in greater detail student rights under the Act and regulations, and describes a procedure for handling alleged violations of the above Act and/or regulations. Upon written request, a student may obtain a copy of the policy (or any page of his/her records, except transcripts from other institutions). Such requests shall be filed with the Admissions and Advising Center.

Every effort is made to protect the privacy and confidentiality of student records. A student's official academic records, supporting documents, and other records are maintained by appropriate members of the college administration. Separate files are maintained for academic and general education records, records of disciplinary procedures, medical records, job placement records, financial aid records of disciplinary procedures, medical records, job placement records, financial aid records, and student activities records. The registrar is responsible for the maintenance of all records.

STUDENT RECORDS DISCLOSURE TO FACULTY AND ADMINISTRATION

Disclosure of student records to faculty and administrative officers shall be only for (1) internal educational purposes, (2) routine administrative and statistical purposes, or (3) legitimate inquiries made by faculty instructors pertinent to the specific instructor's need to review a student's background information in order to adequately instruct and guide the student in a specific academic area.

STUDENT RECORDS DISCLOSURE TO PERSONS OUTSIDE THE COLLEGE

The following is considered “directory” information and may be given to any inquirer unless a student specifically requests the Admissions and Advising Center to withhold such information by completing campus personal information – privacy settings in the Student Information System. Additional information is available in the Admissions and Advising Center.

- A. Whether or not a student is or has been admitted and/or enrolled at PVCC. Beginning and ending dates of attendance may be given.
- B. Credit enrollment status; i.e., less than ½ time, ½ time or full-time.
- C. Curriculum in which the student is currently enrolled.
- D. Degrees or certificates awarded
- E. Honors received
- F. Date of graduation.

Other information that is part of a student’s records will not be released to anyone outside the college without the student’s prior written consent except as noted here:

- A. Information requested under a court order or subpoena (an effort will be made to contact the student prior to the release of such information).
- B. Certain federal and state authorities as noted in the *Family Education Rights and Privacy Act of 1974* (including the secretary of the Department of Education, the comptroller general of the United States, and certain state educational authorities).
- C. In connection with a student’s application for or receipt of financial aid.

Requests from research agencies or individuals making institutionally approved statistical studies may be approved without a student’s prior approval, provided no information revealing a name or Social Security number is to be published.

STUDENT REVIEW OF RECORDS

A student is guaranteed access to his/her permanent educational record, subject only to reasonable regulation as to time, place, and supervision. A student should direct requests to review educational records to the Admissions and Advising Center. Please note that copies of transcripts from other institutions may not be given to a student but that review of such transcripts is possible.

Students should contact the Admissions and Advising Center to question the content of their educational records. Further appeal should be directed in writing to the dean of student services as a final appeal. Student access to the financial records of parents through the student financial aid file is not permitted.

STUDENT RECORDS RETENTION

Official student academic records, financial aid data and applicant materials and documents are maintained by the college during a student's enrollment and for a specified period after enrollment. Some records such as courses attempted, grades, etc., are maintained permanently (electronically) in the college's computer systems. Documents related to admission and enrollment, such as the application for admissions, are maintained by the college. The retention period varies by document, with the longest retention period being five years subject to audit. Contact the Admissions and Advising Center for details on this policy.

USE OF STUDENT PHOTOGRAPHS

Photographs taken of an individual student or groups of students, for example, in classrooms, student lounge areas, and outdoors on campus, may be used by the college for release to newspapers or other media and for reproduction in PVCC publications. If a student is included in such photographs, he/she will not be identified by name or position and will not have his/her name released to outside individuals or organizations without prior written permission.

MYPVCC STUDENT ID NUMBER

The MyPVCC student ID number is used throughout a student's college career to identify him/her in the Student Information System (SIS) and college records. The SIS assigns 7-digit Student ID number at the time students apply for admission.

Applicants for financial aid are required to provide Social Security numbers. Pell Grant program applicants are advised that Social Security numbers are required by the U. S. Department of Education when processing applications. Also, student requesting deferments for previous loans are advised that the Social Security number is required.

GENERAL INFORMATION

ACADEMIC HONORS

Vice President's List

Students will be placed on the *Vice President's List* for achieving a semester grade point average of 3.2 or higher and earning a minimum of 12 credit hours, with no grades less than C.

President's List

Students will be placed on the *President's List* for achieving a semester grade point average of 3.8 or higher and earning a minimum of 12 credit hours, with no grades less than C.

To be eligible for grading term honors, students must have 12 credits in graded courses (A,B,C).

Students achieving grade honors listed on PVCC's website and announced in the Daily Progress newspaper.

ACADEMIC STANDING

Students are considered in good academic standing if they maintained a semester minimum GPA of 2.00, are eligible to re-enroll at the college, and are not on *academic suspension* or *dismissal status*.

The college will send students official notification by letter when they are having academic difficulty. Students will be given an appropriate period of time to show improvement. The college may determine that a student is best served by being prevented from further enrollment for a period of time if he/she shows no academic improvement.

The college provides the following official indications of academic difficulty:

A. Academic Warning

If a student fails to maintain a minimum GPA of 2.00 for any semester or fails any course, he/she will receive an *academic warning*.

B. Academic Probation

If a student fails to maintain a minimum cumulative **GPA of 1.50**, he/she will be placed on *academic probation* until his/her GPA reaches **1.50** or better. The statement "*Placed on Academic Probation*" will be included on the student's permanent record. The student will be ineligible for appointive or elective office in student organizations

and usually will be required to carry less than a normal course load the following semester. While on *academic probation* the student is required to consult a counselor. An average between **1.50** and **1.99** may not result in formal *academic probation*; nevertheless, a minimum of **2.00** in a student's curriculum is a prerequisite to the receipt of an associate. Part-time students will not be placed on **academic probation** until they have attempted **12 semester credit hours**.

C. Academic Suspension

If a student is on *academic probation* and fails to attain a minimum **GPA of 1.50** for the next semester, he/she will be placed on *academic suspension*. *Academic suspension* normally will be for one semester unless the student applies and is accepted for readmission to another curriculum of the college. The statement "*Placed on Academic Suspension*" will be included on the student's permanent record.

If a student is informed that he/she is on *academic suspension*, he/she may submit an appeal in writing to the dean of student services for reconsideration of the case. After termination of the suspension period, a student must meet with the dean of student services to be reinstated. Students will not be placed on suspension until 24 semester credit hours have been attempted.

Following reinstatement after *academic suspension*, a student must achieve a minimum **2.00 GPA** for the semester. He/she must maintain at least a **1.50 GPA** in each subsequent semester of attendance. A student remains on *probation* until his/her overall GPA is raised to a minimum of **1.50**.

D. Academic Dismissal

If a student does not maintain at least a **2.00 GPA** for the semester of reinstatement to the college when on *academic suspension*, he/she will be *academically dismissed*. If a student has been placed on *academic suspension* and achieves a **2.00 GPA** for the semester of his/her reinstatement, he/she must maintain at least a cumulative **1.50 GPA** in each subsequent semester of attendance. The student will remain on *probation* until his/her cumulative GPA is raised to a minimum of **1.50**. Failure to attain a cumulative **1.50 GPA** in each subsequent semester until a student's cumulative GPA reaches **1.50** will result in *academic dismissal*.

Academic dismissal normally is permanent unless, with good cause, the student reapplies and is accepted under special consideration for readmission by the dean of student services. The statement "*Academic Dismissal*" will be placed on the student's permanent record.

E. College Procedures for Students Academically Suspended or Dismissed

The procedures listed below apply to students who have been academically suspended or dismissed:

1. The student is notified of the academic suspension/dismissal through both the PVCC grade report and a letter sent from the college that describes the suspension/dismissal policy and the steps available for an appeal.
2. A “*hold*” will be placed on the student's records so that he/she cannot enroll. The hold will indicate “*academic suspension*” or “*academic dismissal*” and is a part of your academic record.
3. If the student chooses to appeal, he/she is required to write a letter to the dean of student services requesting an exception to the policy. The letter should detail the causes for academic difficulties and describe remedies the student proposes to improve academic performance.
4. If the student is requesting reinstatement to the college, he/she must meet with a counselor and/or dean of student services.
5. The dean of student services makes the reinstatement decision.
6. The dean of student services' reinstatement decision may be appealed to the vice president of instruction and student services.

ALCOHOLIC BEVERAGE POLICY

The serving, possessing, and consuming of alcoholic beverages is prohibited at all college-sponsored student events or activities.

Students may purchase books and other supplies at the bookstore during their regular posted hours. Students may purchase/rent textbooks and purchase some supplies at the bookstore's web site 24/7. The address for the web site is www.pvcc.bkstr.com . Additional operating hours are provided during the beginning weeks of each semester allowing more flexible hours to purchase books. The bookstore is operated by a private company under an agreement with the college. Sometime during the last few weeks of each semester, the bookstore may buy back books at its discretion. Exact dates of “buy back” will be posted in advance. Questions concerning bookstore services should be directed to the bookstore manager.

Please Note:

- A. Basic textbooks are selected and ordered by the academic divisions of the college.
- B. Supplementary materials may be used to accompany a basic textbook. Such materials may be selected and ordered for an individual instructor. These types of materials may or may not be required for a subsequent term.
- C. Save cash register receipts on book purchases. They are required for refunds when returning books due to add/drop/swap or class cancellation. Students should not write or mark in a book until they are sure they will need the book.

CHILDREN ON CAMPUS

College facilities, *including the library*, cannot accommodate the care of children while parents are working or attending class. Since the college and its staff cannot be responsible for the safety and welfare of a student's children, the student must make arrangements for them off campus. Children may not be brought into classrooms or laboratories without permission of the instructor.

COLLEGE CATALOG

The *PVCC Catalog* is available online at www.pvcc.edu.

COPYRIGHT

Students are expected to comply with federal copyright law. The United State Copyright Law protects all copyrighted materials: printed materials such as books and journals, music, sound recordings; films, videocassettes, art works, and computer software. Most Internet sites and all their contents are protected by copyright.

The Copyright Act of 1976 grants copyright owners exclusive rights to publish, reproduce, perform, and display their works. Anyone publishing, reproducing, performing, or displaying all or part of a copyrighted work is guilty of infringing the copyright unless the act falls within one of the fair use exceptions, or unless she or he has acquired permission to use the work from the copyright owner. Read the law at <http://lcweb.loc.gov/copyright/>.

ELECTRONIC MAIL (EMAIL)

The college's email system is provided by the Virginia Community College System to all students within the PVCC community. To protect student privacy, instructors may only use a student's official e-mail address. Students may forward their e-mail to another account if they choose. Instructors are able to issue assignments by e-mail and students are allowed to mail in their work. The college also provides faculty and students with access to Blackboard, a Web-based learning management system. This system allows instructors to post assignments and announcements, have students participate in asynchronous discussions, share written materials, etc.

EMERGENCIES

The college makes every effort to prevent accidents and reduce risks, but emergencies or crisis situations can happen anywhere. College personnel will call the appropriate emergency service in the event of fire, accidents, or severe illnesses on campus. The appropriate emergency services will be called if anyone at PVCC exhibits symptoms of extreme illness, violent or potentially violent behavior, or other extreme or unexplainable behavior.

PVCC EMERGENCY PROCEDURES

Campus Telephone Numbers	
Dial "911"	To Summon Rescue Squad
Dial "0"	PVCC Reception Desk
Dial "434.981.6362"	PVCC Police Officer Cell

MEDICAL AND OTHER EMERGENCIES: In the event of an injury, illness, or other circumstances requiring immediate emergency assistance, the person on the scene should first call 911 and then contact either the receptionist (during the day) or a security officer (during the evening). The receptionist can be reached by dialing 0 from 8 a.m. to 6 p.m. Monday-Thursday, and 8 a.m. to 5 p.m. on Friday. A security officer can be reached by dialing 434.981.6362. To dial either 911 or 434.981.6362 from a college telephone, first dial 9 followed by the phone number. For situations that do not require immediate emergency assistance, the receptionist or a security officer should be contacted. The receptionist or security officer will summon emergency personnel if needed and notify appropriate persons at the college.

911 is a free call from any phone located on the PVCC campus. Public use house phones (for on-campus calls only) are located in the Bolick Student Center in the main building and in the Dickinson Building lounge area. The 911 addresses for PVCC are 501 College Drive for the main building and 400 College Drive for the Dickinson Building.

Only employees with the proper training should attempt to administer first aid. First aid kits are available in each laboratory and shop, the receptionist's desk in the main building, the Admissions and Advising Center (room 144), the Business Office (room 240), the Security Office (room 218), and the Humanities and Social Sciences Division Office (room 317) in the Dickinson Building.

FIRE, GAS LEAK, OR BOMB THREAT: When the fire alarm sounds (in case of fire) or when verbally instructed (in case of gas leak or bomb threat), all persons should immediately leave the building by the nearest exit. With the exception of emergency personnel, all persons must remain at least 500 feet from the building until such time as authorization is given to return to the building. Parking Lot 3 is the designated evacuation area for both the main building and the Dickinson Building. All persons without exception must leave the building when instructed to do so by authorized personnel.

TORNADO OR SEVERE WINDSTORM: In the event of a tornado or severe windstorm requiring shelter, all persons should evacuate to one of the following interior rooms:

MAIN BUILDING (501 COLLEGE DRIVE): 155, 158, 159, 160, 174, 175, 248, 249, 251, 601, 607, 701, 704, 813, 822, 823, 832, 834, 849, 850

DICKINSON BUILDING (400 COLLEGE DRIVE): 102, 106, 129, 130, 132, 222, 223, 226

ADMINISTRATOR ON CALL: When classes are in session, an administrator on call is assigned to deal with evening and weekend emergencies that require an executive level response. Typically, this would be a situation that requires the closing of the college. The administrator on call rotates between members of the president's executive staff. The security officer on duty has telephone access to the administrator on call.

ACCIDENT REPORTS: For accidents involving students or the general public, a PVCC accident report form should be completed by the supervising faculty or staff member, or by the person involved, as appropriate. Forms are available at the receptionist's desk and from the vice president for finance and administrative services (room 241). Reports of accidents involving students and the general public should be submitted to the vice president for finance and administrative services. For accidents involving PVCC employees, including student employees, the employee should contact the Human Resources Office (room 810) and complete a first report of accident form.

DISTANCE LEARNING

For students who prefer to study independently, distance learning courses taught by PVCC faculty are comparable to the same courses taught in the traditional classroom format. Distance learning courses have the same content, grading system, and course credit values as traditional courses. PVCC offers a variety of distance learning formats including online, hybrid, Web conferencing and video conferencing.

Online Courses. Online (Web-based) courses and several associate degree programs are offered through technologies that include the Internet, discussion forums, email, online conferencing, and other Web-based instructional strategies.

Students are responsible for providing their own hardware, software, and Internet service. Requirements to be on campus vary among the online courses; some courses require a minimal number of visits to the PVCC campus for orientation and/or testing. Online courses are delivered in a primarily text-based environment; therefore, reasonably good reading and writing skills are critical factors for adequate course participation. Additionally, research has shown that students who are self-directed and manage their time well are more likely to succeed using this delivery model. It is recommended that students carefully evaluate their readiness and abilities in these areas before selecting online courses. Resources to assist students in determining readiness for online courses may be found at www.pvcc.edu/distancelearning.

Hybrid Courses. In addition to online courses, PVCC offers a variety of hybrid courses. A hybrid course is one that blends online and face-to-face delivery. A substantial proportion of the course content is delivered online; the course typically includes online discussions and some face-to-face meeting times. Students are responsible for providing their own hardware, software, and Internet service.

Web Conferencing and Video Conferencing. Web conferencing is live, synchronous (real time) learning over the Internet. Video conferencing is live, synchronous, interactive audio and video using advanced technologies available on the PVCC campus. Students must be able to attend a Web conferencing class or video conferencing class during a scheduled time on PVCC's campus. These technologies provide an opportunity to collaborate with other institutions to promote programs that are available at PVCC.

Additional information regarding distance learning and technical requirements maybe found at:
www.pvcc.edu/distancelearning

ADVISORS

Students entering college should work with an academic advisor to plan their program for meeting their educational objectives. New and current students can receive advising services in the Admissions and Advising Center. Student Services staff, academic advisors, and faculty will work with students each semester to select courses, monitor academic progress and help students meet their academic and career goals.

FIRE ALARMS

When you hear a fire alarm, gather your belongings and quickly exit the building through the nearest emergency exit. Emergency evacuation plans are posted in all rooms on campus. You should become familiar with the exits for each room you use. Follow the directions of college faculty and staff members and move away from the building and out of the path of responding emergency equipment. Do not return to the building until you are directed to do so by faculty or staff members. Do not ever assume that an alarm is a drill. Treat every alarm as real.

A commencement ceremony is held each year at the end of the spring semester. Applicants for graduation are advised to check with the Admissions and Advising Center for information.

INCLEMENT WEATHER POLICY

Piedmont Virginia Community College remains open when primary and most secondary roads are passable. When delays and closings are announced, the website is the first method of notification, followed by e2Campus text and e-mail emergency notification, local television stations, and then local radio stations (both FM & AM). Information will also be posted on PVCC's Facebook and Twitter accounts.

Closings and delays will affect all PVCC campus locations unless mentioned otherwise in the notification. The following phone numbers will also have late opening/closing information:

Due to the unpredictable nature of Virginia's weather, PVCC may be required to close or open late. The late opening is based on an 8:00 a.m. opening time. In the event of a late opening, you should attend the class that is in progress at the time you arrive at the campus. Examples are listed below:

- If the college does not open until 10 a.m., you would arrive at the campus at 10:00 a.m. to attend your 10:00 a.m. class (not your 8:00 a.m. class.)
- Classes that are in progress at 10 a.m. would begin at 10 a.m.
 - A 9:30 a.m. – 11 a.m. class would instead run from 10 a.m. – 11 a.m.
- Classes that begin at 10 a.m. or later will be held at their usual time.
- If the College closes early due to inclement weather, classes affected by the closing should meet as scheduled, and end at the time the College will be closing.

PVCC uses the following television and radio stations to announce decisions regarding opening late or closing:

Television Stations:

WVIR-TV: NBC 29 www.nbc29.com

WVAW 16

WCVA 19

WAHU 27

Events sponsored by organizations other than PVCC are not necessarily canceled when the college closes. Listen for separate announcements for special events.

INSURANCE INFORMATION

Student insurance is voluntary and not a prerequisite to enrollment; however, certain international applicants must give evidence of comparable coverage. The college reserves the right to require insurance in some programs such as allied health and nursing programs. Insurance companies sell the policy directly to the student. The college is not affiliated with any insurance companies in coverage of the student body with accident and health insurance. Payment of premiums and filing of claims are matters between the student and insurance company.

BETTY SUE JESSUP LIBRARY

The Betty Sue Jessup Library was named in memory of a Charlottesville woman known for her care and concern for area residents. It was formally named and dedicated in a ceremony held September 11, 1991.

The library collection consists of over 37,000 prints; over 60,000 e-books; 165 print periodicals; 1,849 audiovisual units, including DVDs, CDs, maps, slides, videotapes, etc. The Jessup Library also has access to full-text periodicals and databases on the Internet. Some of these full-text periodical services include EBSCO, Factiva and Literature Resource Center.

Other electronic tools include APA PsycNet, FirstSearch, CQ Researcher and Cambridge Scientific Abstracts. These databases have restrictions that require the college to limit access to students, faculty and staff. Access to these databases is available from off-campus. Instructions for remote access and a list of all electronic databases can be found on the library's web page: www.pvcc.edu/library.

Books from the circulating collection may be checked out for 28 days. Students may renew materials twice until the end of the semester unless another user requests the item. Periodicals, newspapers and magazines may be checked out for one week and renewed once. Videos may be checked out to students for use within the library. Materials may be placed in the reserve collection by faculty for students; most are circulated within the library. Reference librarians are present to assist in locating information and to provide instruction in using library materials, information sources and the Internet. Students at remote sites may phone (434.961.5309), or e-mail (reference@pvcc.edu), or instant message (<http://jessuplibrary.blogspot.com/>) the reference librarians for assistance. The staff conducts student orientation to the library as well as instruction for classes with special assignments.

The library is committed to providing students with the resources they need to make their academic experiences at PVCC successful.

LOCKERS

PVCC has a limited number of lockers available on the 100 hallway. Lockers are primarily for use by students taking a physical education class. Any lockers that remain after the first two weeks of class may be used by the remaining student body. PVCC does not provide locks, but the student can bring a lock and reserve a locker with the Fitness Room staff.

LOST AND FOUND

Lost personal articles are stored in the PVCC Security Office. They may be claimed upon appropriate demonstration of ownership.

SAFETY INFORMATION

The annual College Safety Report is available on the college web site at http://www.pvcc.edu/security_safety/clery_act.php.

SMOKING

Smoking is permitted in personal vehicles and within parking lots. Smoking is also permitted within designated smoking areas identified by "DESIGNATED SMOKING AREA" signs and the presence of smoking urns.

Except as noted above, smoking is not permitted on college grounds.

Smoking is not permitted inside college buildings.

Smokers are responsible for properly disposing of smoking materials.

Non-compliance of the smoking rules and regulations will result in a \$30 fine.

COLLEGE FEES AND FINES

TUITION PAYMENT

Tuition is due and payable at the time of registration or by the dates posted each term. Tuition charges are subject to change at the discretion of the State Board for Community Colleges. The most current tuition is posted on the college Website: www.pvcc.edu.

Payment of tuition enables students to use the library, bookstore, student study areas, and other facilities of the college.

Dishonored checks received from the bank must be made good within five working days after notification from the Business Office. There is a service charge for each check returned. In addition, the check writer is responsible for all reasonable administrative costs, collection fees, or attorney fees incurred in the collection of the check.

Refer to the schedule of classes and college Web site for payment deadlines.

TUITION PAYMENT PLAN

To help you meet educational expenses during the fall and spring semesters, PVCC offers a convenient and affordable payment plan administered by [Nelnet](#) (formerly FACTS). **This payment program is not available for classes taken during the summer semester.** This is not a loan program, so you incur no debt. There are no interest or finance charges, only a modest enrollment fee and there are no credit checks.

The earlier you enroll in the program, the more likely the lowest monthly payment option will be available. For more information go to the financial aid pages of the PVCC Web site or contact the Cashier's Office.

TUITION REFUND

Students shall be eligible for a refund for those credit hours dropped during the add/drop period. After the add/drop period has passed, there will be no refunds.

For exact add/drop dates, consult the schedule of classes or the calendar on the college Web site. Short courses (less than one term in length) have shorter add/drop and withdrawal periods.

STUDENT CONDUCT, RIGHTS AND RESPONSIBILITIES

PVCC CODE OF CONDUCT

INTRODUCTION

Piedmont Virginia Community College is an academic community in which all members and visitors share the duty and responsibility of securing and maintaining the freedom to learn. Freedom carries responsibilities; chief among these is the respect for the rights and the values of others. In order to provide and preserve this freedom on the college campus and at college-sponsored and college-supervised functions, the Code of Conduct was developed by a committee of students, faculty, staff, and administrators.

Within the college community, individuals are accorded respect in a learning environment that is free of discrimination on the basis of race, color, religion, national origin, political affiliation, disability, veteran's status, sex, age, or sexual orientation. All students are expected to exhibit and practice appropriate behavior when participating in instructional settings, including field experiences, internships, athletic and cultural events, or any other related college endeavor.

The college faculty and staff recognize their role in developing this sense of responsibility through example and guidance. Additionally, every student is presumed to have sufficient maturity, intelligence, and concern for the rights and values of others to preserve the standards of the academic community. This Code enumerates clear expectations of students as members of the college community, the kind of unacceptable behavior that may result in disciplinary action, and sanctions and disciplinary proceedings utilized when the Code is not observed. While on college property or at college-sponsored/supervised events, all persons, including guests of students, are required to abide by all college policies, procedures, practices, and related rules and regulations.

The submission of an application to PVCC represents a voluntary decision on the student's part to abide by the PVCC Code of Conduct. It is the student's responsibility to become familiar with the PVCC Code of Conduct. Lack of awareness is not an excuse for non-compliance with PVCC policies and regulations. All new students are oriented to the Code of Conduct in the PVCC SDV orientation course, and the Code of Conduct is referenced on the course syllabus in all classes. The Code of Conduct is available on the PVCC website at http://www.pvcc.edu/files/media/code_of_conduct.pdf.

Definitions

When used in this Code of Conduct:

1. The term “college” means Piedmont Virginia Community College (PVCC) and, collectively, those responsible for its control and operation.
2. The term “student” includes all persons registered for credit courses and noncredit courses on a full-time or part-time basis.
3. The term “faculty member/instructor” means any person hired by PVCC to conduct educational activities. In certain situations, a person may be both “student” and “faculty member/instructor” and is subject to the rights and responsibilities of both.
4. The term “college official” pertains to all college employees.
5. The term “college community” includes students (credit and noncredit) and all college employees.
6. The title “Dean of Student Services” refers to the current Dean or his/her designee.
7. The term “student club” means a number of persons who have complied with the formal requirements for college recognition.
8. The term “working days” means any day when PVCC is open for regular business.
9. The term “college premises” includes all land, buildings, facilities, and any other property in the possession of, owned, used, or controlled by PVCC.
10. The “Misconduct Hearing Committee” refers to the body authorized to implement the conduct hearing process.
11. The term “policy” includes all written regulations of PVCC as found in, but not limited to, the college catalog.
12. The term “recommendation” refers to a remedy proposed by the Misconduct Hearing Committee. A recommendation is not binding.
13. The term “decision” refers to a determination by the Dean of Student Services or his/her designee, or the President or his/her designee. A decision is binding.

Judicial Authority

1. The Dean of Student Services or her/his designee is responsible for the administration of the student Code of Conduct.
2. The Misconduct Hearing Committee is the body authorized to implement and conduct the hearing process.
3. Any decision(s) made by the Dean of Student Services or her/his designee shall be final unless the student(s) or complainant(s) initiates the appeal process within the specified time frame.

Student Rights and Responsibilities

The following statement of rights and responsibilities is designed to clarify those rights that the student may enjoy as a member of the community college. It also defines the responsibilities and obligations of the student in joining the college community.

Student Rights

- Each student is guaranteed the privilege of exercising his or her rights without fear of prejudice.
- Students are free to pursue their educational goals. Appropriate opportunities for learning in the classroom and on the campus are provided by the college through the curricula offered.
- Students have the right to freedom of expression, inquiry, and assembly, subject to policy, rules and regulations.
- Students have the right to inquire about and offer suggestions to improve policies, regulations, and procedures that affect their welfare.
- Students are entitled to due process as required by law and by the Code of Conduct.
- The student as a member of the college community has the right to expect safety, protection of property, and the continuity of the educational process.
- A student has the right to access the college catalog and the Code of Conduct which lists the policies and procedures of the college.
- Each student is informed at the beginning of each course how the course will be graded. A written syllabus is provided to the student which will include a course outline and a grading and attendance policy.

Student Responsibilities

- The student has a responsibility to demonstrate respect for self and others in the college community (including faculty, staff, and other students).
- The student has the responsibility to know and abide by the regulations and policies of the college, including registration deadlines, payment of tuition, withdrawal dates, and graduation application deadlines.
- The student has the responsibility to pay all fines and debts (including parking fines incurred at the college).
- The student has the responsibility to maintain academic integrity.

Student Conduct across the PVCC Campus

Each student at Piedmont Virginia Community College is considered a responsible adult and is expected to maintain standards of conduct that are appropriate to membership in the college community. Disorderly conduct threatens a positive learning environment and will not be tolerated. Emphasis is placed on standards of conduct rather than on limits or restrictions of students. The PVCC Code of Conduct applies to both conduct within the classroom and outside of the classroom.

Conduct in the Classroom

Faculty may establish their own policies addressing attendance and other standards of behavior in the classroom and in labs. Students are responsible for following the course syllabus which lists the requirements and expectations of the course. Exceeding the allowable number of absences permitted in an instructor's attendance policy may adversely affect the course grade or result in withdrawal from the course. Coming to class chronically late or engaging in inappropriate use of cell phones or other technology also violates acceptable conduct and may also affect the course grade or result in withdrawal from the course. If a student exhibits unruly or disruptive conduct in classroom or lab, the instructor may ask the student to leave the classroom immediately.

If the student refuses to leave or continues the disruption, the faculty member can call security for assistance. If the student is asked to leave the classroom, it is the student's responsibility to contact the instructor as soon as possible and at the latest, before the next meeting of the class or lab to attempt to reconcile the problem. If not resolved, and/or in the most serious cases, such as when the student has previously been removed from the class or when the behavior is a serious violation of the rights of others (i.e. threats of violence or other acts of hostility) the faculty member may deny the student's return to the course. In these cases the faculty member must file a charge of misconduct with the Dean of Student Services. Once a charge is filed, the case will be settled by following the College Disciplinary Process (see below).

Conduct Outside of the Classroom

Appropriate behavior is also expected outside of the classroom on all college premises, such as hallways, offices, all common areas of the college, and the parking lots and grounds. Excessive fines and repeated violations of

parking lot regulations or violations of the smoking policy may result in a charge of misconduct. In addition, this same Code of Conduct applies to PVCC classes held online and at off campus sites throughout the service area.

Prohibited Conduct

The following misconduct, which is not all-inclusive, is subject to disciplinary action:

- 1) Failure to furnish identification upon the request of a college official.
- 2) Intentionally providing false information on any college application, transcript, or written document.

Charges of Misconduct

Any faculty member or college official may file a charge(s) of misconduct against a student. The charge(s) of misconduct shall be submitted, in writing to the Dean of Student Services within ten (10) working days of the point at which the alleged misconduct occurred or within ten (10) working days of the point at which the alleged misconduct could reasonably have been known to occur. An incident report submitted by a college security officer to the Dean of Student Services can also serve as a written charge of misconduct.

Pending action on any charge of misconduct by the Dean of Student Services shall not alter the status of a student or his/her right to participate in all class(es), college-sponsored, or college-supervised functions, or to be present on any college premises except in circumstances where: (a) there is concern for the student's physical or emotional safety, the well-being of any other member of the college community, or potential damage to college premises; or (b) the student persistently disrupts or obstructs teaching/learning, or is continuously disrespectful in the classroom.

Process for Charges of Misconduct

When a charge of misconduct is received, the Dean of Student Services will:

- a. Review the charge of misconduct.
- b. Meet with the faculty or staff member who filed the charge of misconduct to get further details and explain the process for charges of misconduct.

- c. Meet with the student who has been charged with misconduct to review the charge, explain the process for charges of misconduct and review the student's due process rights.
- d. Investigate fully the charge of misconduct by interviewing witnesses and other parties involved.
- e. Decide the appropriate action(s) to be taken.
- f. If the charge(s) of misconduct involves more than one student, the process for charges of misconduct will be conducted separately for each student.
- g. If the misconduct charge violates another college policy, the student may be charged under that policy as well.
- h. If the charge of misconduct does not violate the Code of Conduct or the Dean of Student Services decides that the student is not guilty of misconduct, there will be no subsequent proceedings under the Code of Conduct policy.
- i. The Dean of Student Services has the authority to impose minor sanctions. Minor sanctions may include: warnings, fines, restitution, campus or community service, or mandated counseling. Once these sanctions are imposed, there will be no subsequent proceedings unless the student decides to appeal the sanction imposed by the Dean for Student Services. To appeal the sanction, the student must contact the Vice President of Instruction and Student Services in writing, within seven (7) working days after the sanction was imposed. The decision of the Vice President is final and there is no further appeal.
- j. Any misconduct charge in which the possibility of a major sanction could be imposed shall be referred by the Dean of Student Services to the Misconduct Hearing Committee. The Misconduct Hearing Committee shall be convened no later than ten (10) working days after the Dean of Student Services refers the case. See the Sanctions section below.

Misconduct Hearing Committee

A. Purpose and Membership of Committee

1. The Misconduct Hearing Committee is convened to review and take action on cases referred by the Dean of Student Services that are related to student conduct violations and that may result in a major sanction (See major and minor sanctions on p. 11).
2. The Misconduct Hearing Committee shall be composed of six voting members: two full-time instructional faculty, two students, one administrator, and one member of the classified staff. The Misconduct Hearing Committee shall elect its own chairperson who must be a college employee.
3. All Misconduct Hearing Committee members shall be present to conduct all business.

4. If a Misconduct Hearing Committee member becomes unavailable during the hearing for reasons such as illness, but is able to return within a reasonable time frame, the conduct hearing shall be postponed until all members of the Misconduct Hearing Committee are available.
5. If a Misconduct Hearing Committee member becomes unavailable during the conduct hearing and is unable to return within a reasonable time frame, the Dean of Student Services will choose a replacement.

B. Procedures to Convene the Misconduct Hearing Committee

2. The Dean of Student Services will brief both the faculty or staff member who filed the charge of misconduct, and the student accused of misconduct on the Misconduct Hearing process before the committee convenes.
3. The Dean of Student Services will inform the accused student that he or she can have an advisor or support person present during the proceedings. The advisor/support person, however, cannot take an active part in the hearing.
4. The Dean of Student Services will consult with all parties involved in the Misconduct Hearing process in an effort to schedule a reasonable and mutually acceptable date for the committee to convene.
5. The hearing will be held within ten (10) working days after the Dean of Student Services has referred the case to the committee
6. All parties involved in the case will receive written notice of the date for the Misconduct Hearing Committee at least five (5) working days in advance of the hearing
7. The Dean of Student Services will provide all members of the Misconduct Hearing Committee all documents pertaining to the case before the Misconduct Hearing committee convenes.
8. The Dean of Student Services will instruct all parties involved in the Misconduct Hearing Committee to refrain from discussing the Hearing Committee proceedings with any person outside the committee.
9. The hearing(s) will be conducted in such a manner as to afford due process and shall be private. Due to the confidential nature of the hearing, attendance is limited to the Misconduct Hearing Committee, Dean of Student Services, the complainant, the accused student, the student's advisor/support person, and witnesses.

C. Misconduct Hearing Procedures

23. The Dean of Student Services meets with the Misconduct Hearing Committee first to present the case and answer any questions from the committee.
24. The Misconduct Hearing Committee selects a chairperson to run the hearing.

25. The burden of proof rests on the person filing the complaint. All decisions will be based on the evidence presented before the Misconduct Hearing Committee.
26. The person filing the charge of misconduct proceeds first and presents the charge of misconduct to the committee.
27. Following the presentation by the complainant, the Misconduct Hearing Committee may ask follow up questions for more information and clarification.
28. The student accused of misconduct proceeds next and responds to the charge of misconduct.
29. Following the presentation by the accused student, the Misconduct Hearing Committee may ask questions for clarification.
30. Both the complainant and the accused student may present witnesses or provide additional documentation to support their case.
31. In most cases, the complainant and the accused will meet separately with the committee to present their cases.
32. The Misconduct Hearing Committee may impose reasonable time limits on all presentations.
33. All procedural questions are decided by the chairperson of the Misconduct Hearing Committee.
34. The Misconduct Hearing Committee reserves the right to go into closed session at any time in the proceedings.
35. No ruling can be made, nor sanctions imposed solely on the failure of the accused to answer the charges or to appear at the hearing. In such a case, the hearing will continue and evidence in support of the charges will be presented and considered.
36. Following all the presentations, the Misconduct Hearing Committee will go into closed session to render a decision on the case.
37. The Misconduct Hearing Committee will determine, by majority vote, whether the student violated the Code of Conduct. In a case of a tie vote, the Dean of Student Services will cast the deciding vote.
38. The committee may choose by majority vote any one of the following actions:
 - a. Dismiss the case.
 - b. Refer the case back to the Dean of Student Services for assignment of a minor sanction.
 - c. Issue a warning, orally or in writing, that continuation or repetition of conduct found wrongful, within a period of time stated in the warning, may be cause for more severe disciplinary action (minor sanction).
 - d. Impose fines (minor sanction).
 - e. Require restitution in the form of reimbursement for damage to or misappropriation of property (minor sanction).
 - f. Assign disciplinary probation through a written notice that continuation or repetition of conduct found wrongful, during a designated period of time not exceeding one year, will be cause for more severe disciplinary action such as suspension or expulsion (minor sanction).
 - g. Assign disciplinary probation with revoked privileges through a written notice that continuation or repetition of conduct found wrongful, during a designated period of time not exceeding one year, will be cause for more severe disciplinary action such as suspension or expulsion. During the probationary

time period, the student is excluded from participation in privileged or extracurricular institutional activities (minor sanction).

- h. Assign interim suspension in cases where there is evidence that the continued presence of the student poses a substantial and immediate threat to him/herself or to others, or to the continuance of normal college functions, during pending disciplinary proceeding or medical evaluation. A student placed on interim suspension who is unable to complete course work for the semester in which the interim suspension was issued will be given W grades (major sanction).
 - i. Require mandatory counseling as a condition to return to the college, such as counseling sessions with a licensed professional counselor in the community to work on inappropriate behavior and promote positive change (major sanction).
 - j. Place the student on suspension from the college. Exclusion from courses and other privileges or activities for a defined period of time not to exceed two years. Whether or not a student may make up missed academic work due to the suspension will be determined as part of this sanction (major sanction).
 - k. Dismiss the student from the college for an indefinite period of time. The conditions for readmission, if any, shall be stated in the order of dismissal. In the case of dismissal, all document related to the violation shall be maintained permanently (major sanction).
39. A transcript of the proceedings will be kept in the Office of the Dean of Student Services for five (5) years.
40. The Misconduct Hearing Committee will submit its recommendations in writing to the Dean of Student Services within two (2) working days of completion of the hearing.
41. The Dean of Student Services will notify the accused student in writing of the College Hearing Committee's decision within five (5) working days of the completion of the hearing.

Appeal Procedure

An appeal of the Misconduct Hearing Committee's decision by either party can be made to the President of the College within ten (10) working days of the decision. The appeal must be submitted in writing and must state on what grounds the appeal is based. The president shall take one of the three following actions: 1. Uphold the sanction, 2. Revise the sanction, 3. Dismiss the sanction. The decision of the president is final.

Procedural Safeguards

During the misconduct hearing process, the student has the following safeguards:

1. Students will receive written notification of the time, place, and date of the hearing at least five (5) working days in advance to give a reasonable amount of time to prepare the case.
2. The Dean of Student Services will give an account of the misconduct charge filed against the student and will answer questions on procedure and process.

3. Students can have an advisor/support person during the hearing process, but that person cannot take an active role during the misconduct hearing.
4. Students will be notified of the decision of the Misconduct Hearing Committee within five (5) working days after the committee has met and reached their decision.
5. Students have the right to appeal the Misconduct Hearing Committee's decision to the President within ten (10) working days of receiving notification of the Misconduct Hearing Committee's decision.

Academic Dishonesty

Piedmont Virginia Community College sets high standards for academic integrity, and takes academic dishonesty very seriously. The following misconduct is considered a violation of academic honesty and is subject to disciplinary action:

- A. All forms of academic dishonesty, including cheating, plagiarism, knowingly furnishing false information to the college or instructors, and the forgery, alteration or use of college documents or instruments of identification with the intent to defraud whether intentional or not.
 1. Plagiarism is the appropriation of passages, either in word or in substance, from the writings of another and the incorporation of those passages as one's own written work offered for credit. It is always assumed that the written work offered for credit is the student's own unless proper credit is given to the original author by the use of quotation marks and footnotes or explanatory inserts;
 2. Collaboration with another person in the preparation or editing of notes, themes, reports, or other written work offered for a grade is prohibited unless such collaboration has been specifically approved in advance by the instructor. Examples of collaboration include extensive use of another's idea for preparing a creative assignment and receiving undue assistance in the preparation or editing of written materials.
 3. Giving or receiving, offering or soliciting information on any quiz, test, or examination is prohibited; this includes the following:
 - copying from another student's paper;
 - use of non-approved prepared materials during an examination;
 - collaboration with another student during the examination;
 - buying, selling, stealing, soliciting or transmitting an examination or any material purported to be the unreleased contents of a (coming/pending) examination or the use of any such material;
 - substituting for another person during an examination or allowing such a substitution for one's self;
 - providing test question information to students prior to that student taking the test.
 4. Using electronic or internet resources without the permission of the instructor is prohibited.

Consequences

All course syllabi will state the penalty for academic dishonesty in that course.

In matters of alleged honor violations, the faculty member will meet in private with the student whose work is in question. The purpose of this meeting is to allow the instructor to discuss with the student the potential allegation and to allow the student an opportunity to respond. Should the instructor feel the need to pursue the matter further, he/she may exact whatever penalties have been specified in the course syllabus. Such penalties may include: being required to redo the assignment, receiving a grade of zero on the assignment or failing the course.

Procedures for Charges of Academic Dishonesty

1. Once the instructor judges that a violation has occurred, the instructor will fill out the [ACADEMIC DISHONESTY REPORT](#) and both the student and the instructor will sign the form. This form will be sent to both the academic dean of the division and the Dean of Student Services. An [INCIDENT REPORT \(Academic Dishonesty\)](#) will also be submitted to complete the reporting process.
2. The student will be told that a copy of the Academic Dishonesty Report will be placed in the student's file. At the end of one academic year, the student may petition the Dean of Student Services to remove the report if no further incidences of academic dishonesty have occurred. This is an important point, because four-year schools often request whether or not the student has had any disciplinary action taken during enrollment. A written summary of academic dishonesty on the student's record can affect the student's transfer to a four-year college or university.
3. A student who has been informed that he/she is to be penalized for committing academic dishonesty may appeal the faculty member's decision. The appeal should be submitted in writing to the appropriate academic dean within ten (10) working days of the date upon which the student was informed of the penalty. The Dean will decide whether to uphold or overturn the faculty member's decision.
4. If the student disagrees with the dean's decision, he or she may then appeal, in writing, to the Vice President of Instruction and Student Services. The decision of the Vice President is final.
5. If the student's appeal to the Dean or the Vice President is granted, the Academic Dishonesty report and the honor violation will be removed from the student's record.
6. The receipt of a second notice of academic dishonesty constitutes a violation of the Student Code of Conduct and can result in a major sanction. In these cases, the Dean of Student Services will convene the Misconduct Hearing Committee to review the case (see Misconduct Hearing Procedures on p. 9).

INFORMATION TECHNOLOGY STUDENT/PATRON ETHICS AGREEMENT AND PVCC COMPUTER USE AGREEMENT

The Office of Information Technology is responsible for the planning, deployment, and maintenance of services in academic and administrative computing. It provides computing and communication services to the college community over a state-of-the-art wired and wireless local area network of approximately 600 computers connected to the Internet.

The college has 17 computing labs and two computer-aided drafting labs. Students have access to word processing, spreadsheet, and database management programs as well as specialty software. Students also have access to e-mail and to the Internet.

Computer Use Guidelines

Access to and the use of computers by students and patrons of PVCC are governed by the Virginia Community College System and PVCC computer ethics guidelines. These guidelines emphasize user responsibility for using computer applications, services, resources, and the information they generate in an authorized manner, as well as for maintaining appropriate security of computing systems and their operation. Failure to abide by the guidelines may result in disciplinary action, including possible loss of the privilege of using the college's computing facilities and services.

Copies of PVCC's computer ethics guidelines are available in the college's computing facilities and on http://www.pvcc.edu/information_technology/policies.php. In signing onto a student account or otherwise logging into PVCC's local area network (LAN), users acknowledge their understanding of and intent to abide by them. College personnel are available to answer questions regarding appropriateness of the use of computing resources.

INFORMATION TECHNOLOGY STUDENT/PATRON ETHICS AGREEMENT

As a user of the Virginia Community College System's local and shared computer systems, I understand and agree to abide by the following acceptable use agreement terms. These terms govern my access to and use of the information technology applications, services and resources of the VCCS and the information they generate.

The college has granted access to me as a necessary privilege in order to perform authorized functions at the college where I am currently enrolled. I will not knowingly permit use of my entrusted access control mechanism for any purposes other than those required to perform authorized functions related to my status as a student.

These include logon identification, password, workstation identification, user identification, digital certificates or 2-factor authentication mechanisms.

I will not disclose information concerning any access control mechanism unless properly authorized to do so by my enrolling college. I will not use any access mechanism that the VCCS has not expressly assigned to me. I will treat all information maintained on the college computer systems as strictly confidential and will not release information to any unauthorized person.

Computer software, databases, and electronic documents are protected by copyright law. A copyright is a work of authorship in a tangible medium. Copyright owners have the sole right to reproduce their work, prepare derivatives or adaptations of it, distribute it by sale, rent, license lease, or lending and/or to perform or display it. A student must either have an express or implied license to use copyrighted material or data, or be able to prove fair use. Students and other users of college computers are responsible for understanding how copyright law applies to their electronic transactions. They may not violate the copyright protection of any information, software, or data with which they come into contact through the college computing resources. Downloading or distributing copyrighted materials such as documents, movies, music, etc. without the permission of the rightful owner may be considered copyright infringement, which is illegal under federal and state copyright law. Use of the college's network resources to commit acts of copyright infringement may be subject to prosecution and disciplinary action.

The penalties for infringing copyright law can be found under the U.S. Copyright Act, 17 U.S.C. §§ 501-518 (http://www.copyright.gov/title_17/92chap5.html) and in the U.S. Copyright Office's summary of the Digital Millennium Copyright Act (<http://www.copyright.gov/legislation/dmca.pdf>).

I agree to abide by all applicable state, federal, VCCS, and college policies, procedures and standards that relate to the Virginia Department of Human Resource Management Policy 1.76-Use of Internet and Electronic Communication Systems, the VCCS Information Security Standard and the VCCS Information Technology Acceptable Use Standard. These include, but are not limited to:

- Knowingly propagating malicious programs;
- Changing administrator rights on any college-owned computer, or the equivalent on non-Microsoft Windows based systems;
- Using college computing resources to support any commercial venture or for personal financial gain.

Students must follow any special rules that are posted or communicated to them by responsible staff members, whenever they use college computing laboratories, classrooms, and computers in the Learning Resource Centers. They shall do nothing intentionally that degrades or disrupts the computer systems or interferes with systems and equipment that support the work of others. Problems with college computing resources should be reported to the staff in charge or to the Information Technology Help Desk.

If I observe any incidents of non-compliance with the terms of this agreement, I am responsible for reporting them to the Information Security Officer and/or management of my college.

I understand that I must use only those computer resources that I have the authority to use. I must not provide false or misleading information to gain access to computing resources. The VCCS may regard these actions as criminal acts and may treat them accordingly. I must not use VCCS IT resources to gain unauthorized access to computing resources of other institutions, organizations, individuals, etc.

The System Office and colleges reserve the right (with or without cause) to monitor, access and disclose all data created, sent, received, processed, or stored on VCCS systems to ensure compliance with VCCS policies and federal, state, or local regulations. By acknowledging this agreement, I hereby certify that I understand the preceding terms and provisions and that I accept the responsibility of adhering to the same. I further acknowledge that should I violate this agreement, I will be subject to disciplinary action.

PIEDMONT VIRGINIA COMMUNITY COLLEGE

Computer Use Agreement

Piedmont Virginia Community College's computing resources have been deployed to enhance the educational experience of its students and the operating efficiency of its faculty and staff. As with its other resources, these computing resources are the property of the college and are to be used for college purposes. Computers and other computer resources are college property and the rules and regulations that apply to college property apply to computing resources.

Computer software, database, and electronic documents are protected by copyright law, and users may not violate the copyright protection of any information, software, or data with which they come into contact through the college's computing resources. Students, faculty, and staff are responsible for understanding how copyright law applies to their electronic transactions.

Users of Piedmont Virginia Community College's computing resources are required to respect the privacy of other users. They may use only their own user identification unless they have been authorized by a college official to use someone else's. They may not allow others to use their user identification.

Users may take advantage only of the computing equipment and services they have expressed permission to use. They may use these resources only for the purposes for which they have been given permission. They may not use any system loopholes or special knowledge of computer systems to make any changes in the system, to make use of any extra resources, or to take resources from others.

Users may not attempt to gain access to information owned by the college or by its authorized users without the permission of the owners of that information. They may not attempt to intercept or read messages not intended for them. Users must identify themselves in all messages sent from college computers.

The college's computing resources may not be used to support any commercial venture or for personal financial gain, unless such use has been specifically approved in advance by the college president. The college's computing resources may not be used to send or seek out obscenities or obscene materials except to the extent that doing so is a component of a bona fide college activity.

SEXUAL MISCONDUCT POLICY

The sexual misconduct policy at PVCC applies to all students, faculty, and staff and includes sexual assault, sexual harassment, and power relationships. PVCC shall not tolerate sexual misconduct in any form and shall aggressively investigate all reported incidents of abuse on campus. The college encourages all members of the college community to be aware of both the negative and far-reaching consequences of sexual misconduct and the options and support services available to victims.

Sexual assault includes a wide range of behavior in which coercion is used to obtain sexual contact against a person's will. It is defined as sexual contact without consent and includes: intentional touching without consent, either of the victim or when the victim is forced to touch, directly or through clothing, another person's genitals, breasts, thighs, or buttocks; rape (sexual intercourse without consent whether by an acquaintance or a stranger); attempted rape; sodomy (oral sex or oral intercourse) without consent; or sexual penetration with an object without consent.

Sexual harassment includes unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct or written communication of a sexual nature when:

- Submission to such conduct is made explicitly or implicitly a term or condition of an individual's employment or academic performances; or
- Submission to or rejection of such conduct is used as a basis for employment decisions such as promotion or performance evaluation; or
- Such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance, or creating an intimidating, hostile, or offensive working or educational environment.

Power Relationships. As a matter of sound judgment and professional ethics, it is the responsibility of all faculty and supervisors to avoid having sexual relationships with or making sexual overtures to students or employees over whom they are in position of authority by virtue of their specific teaching or administrative assignments.

The president designates a sexual misconduct policy coordinator to oversee all issues and incidents arising under this policy. All incidents of possible sexual misconduct arising under this policy shall be reported immediately to the dean of student services at 434.961.6540.

GRADE APPEAL PROCEDURES

Faculty are responsible for informing students of the basis on which grades in each class will be assigned. Assignment of grades is the responsibility of the faculty member and presumes fairness and best professional judgment. It should be understood that the student who chooses to appeal a grade must assume the burden of proof concerning any perceived error in the grade assigned.

1. The student who believes a course grade received to be in error may appeal directly to the instructor within 10 school days after the beginning of classes of the semester following the one in which the grade was reported. Every reasonable effort should be made by both parties to resolve the matter.
2. If Step 1 does not resolve the question, the student may file a written appeal to the division dean within five school days after an attempt to resolve the matter with the faculty member. The division dean will conference with the student and faculty member via e-mail, telephone, video, or in person in an effort to resolve the grievance. The division dean may within five school days of the conference appoint a committee of three faculty members and two students to review and make a recommendation on the matter. Within five school days of the conference, or if a committee is formed within five school days of the receipt of the committee's recommendation, the division dean will prepare a report of the disposition of the matter with copies to the student, the faculty member, and the divisional record.
3. If either the student or the faculty member wishes to appeal Step 2 disposition of the matter, he or she may do so in writing to the vice president for instruction and student services within five school days of the receipt of the division dean's report. If, in the vice president's discretion, the appeal and record of previous actions indicate further consideration of the matter is not warranted, the vice president will so notify the student, faculty member, and division dean within five school days, and the division dean's decision shall be final and binding on all parties.

If the vice president grants the appeal, he or she will schedule a conference via e-mail, telephone, video, or in person with the division dean, faculty member, and student. Within five school days of the conference, the vice president will prepare a written decision with copies to the student, faculty member, and division dean. The vice president's decision shall be final and binding on all parties.

GRADING

Teaching faculty are required to keep a student's final examination papers and evaluative instruments on file for one semester, in case any questions arise concerning grades. Students have the right to review their final exams for one semester after the end of the term in which the final exam was taken.

When the grade of incomplete (I) is awarded, requirements for satisfactory completion will be established through student/faculty consultation. If course work has not been completed by the end of the subsequent semester

(excluding summer), another grade (A, B, C, D, F, P, R, S, U, or W) must be awarded by the instructor. This grade will be based upon the course work that has been completed. Course work for I grades may be granted beyond the subsequent semester, with written approval of the vice president for instruction and student services or designee. See the current college catalog for further grade policies.

EVALUATION OF FACULTY

Each semester, each full-time faculty member is evaluated by his/her supervisor.

Additionally, an annual student evaluation of faculty is required as a component of the evaluation of full-time faculty. The evaluation instrument will be administered while the faculty member being evaluated is out of the classroom. A student will collect the completed evaluations and deliver them to the respective division office. The student evaluations will be sent to the respective faculty member after grades are submitted.

All faculty are encouraged to elicit student comments from all courses each semester.

The appropriate administrator shall post a notice in the classroom, giving instructions to the students as to the time of any notification; students are instructed to wait for 15 minutes for a 50-minute class. Any deviation from the final examination schedule must be approved by the Vice President for instruction and student services or his/her designee.

OFFICE HOURS

Faculty members are expected to arrange their schedules so they are available on campus to work with individual students and to participate in student advisement and enrollment.

Full-time faculty members are required to post on or near their office door a minimum of 10 hours per week as office hours to be available to work with students on their individual academic and career issues. The five hours for appointments may vary from week to week. Exceptions due to distance learning, off-campus assignments, or use of technology to serve students may be approved. Faculty will also provide advising services in the Admissions and Advising Center for 15 hours during each semester.

PARKING AND TRAFFIC REGULATIONS

Parking and Vehicle Registration

Student Parking. The college has designated parking areas for students. All students, day, evening, and online must obtain a parking decal in order to park in these areas. Students should fill out a vehicle registration card during class registration and secure a decal which is to be placed on the left side of the rear bumper, or alternately, on or in the rear window of the student's vehicle. It is the student's responsibility to ensure that the decal is visible. Student decals are also available at the main building reception desk, the cashier's window, and the Security Office (main building, room 218). Registering online does not excuse a student from the requirement to register their vehicle and secure a parking decal.

Each vehicle a student operates must have a decal in order to park on the PVCC campus. The general traffic regulations of the state are applicable on the PVCC campus. Fines will be imposed on those who violate college traffic and parking regulations, and students are responsible for any violation committed by the operator of a vehicle registered in the student's name. There is no charge for a student parking decal. Not registering a vehicle is itself a parking violation subject to the same fine as other general parking violations.

Lot 1 is reserved for faculty, staff and visitor parking from 7 a.m. to 5 p.m. Monday through Friday. Lot 2 is reserved for faculty, staff and visitors from 7 a.m. to 6:30 p.m. Monday through Friday. Student parking is located in Parking Lots 3 and 4. If parking citations are not paid or cancelled on appeal, repeated violators may lose on-campus parking privileges. The fine for general parking violation is \$20.00. Appeals of parking fines should be made in writing to the Parking Appeals Panel through the vice president for finance and administrative services (main building, room 241). Appeal forms are available at the Cashier's office and on the PVCC Web site.

Students who are employed by the college on a part-time basis are not eligible for employee parking permits.

Handicapped Parking. Handicapped parking permits that allow parking in designated handicapped parking spaces can only be issued by the Virginia Department of Motor Vehicles. The college is not authorized to issue permits which allow parking in handicapped spaces. All persons including students with valid handicapped parking permits may park in any handicapped space in any college parking lot. The fine for illegally parking in a handicapped space is \$100.00. Albemarle County and state authorities may also issue tickets for parking in a handicapped space or for other violations (such as blocking a fire hydrant). The fines for tickets issued by county and state authorities are typically higher than for tickets issued by the college.

Common Traffic Offenses. In addition to parking in an employee or visitor parking space, the following are common traffic offenses:

Parking outside of a designated parking space; parking at a yellow curb; parking or stopping in a driveway so as to block the use of the driveway to others; parking with 15 feet of a fire hydrant; parking in a bus zone or fire lane as indicated by signs or marks upon the road or curb; parking in a loading zone as indicated by signs or marks upon the road or curb; parking on the grass unless such parking is indicated by a sign as being permitted; parking in a zone or area designed by signs as reserved for restricted parking; failing to register a vehicle; expired decal; driving in a direction opposite to the marked traffic arrows.

Vehicles cannot be left unattended for a period of time exceeding 15 hours or to park a vehicle overnight without prior consent. As a general policy, overnight parking will not be permitted except for official college purposes or in an emergency. The security office (cell phone number 434.981.6362) should be contacted if circumstances require permission for extended or overnight parking.

Employee Parking. PVCC employees are issued permanent hang tags. Employee hang tags are available from the security office. Adjunct faculty are issued temporary hang tags which are available from the division offices. Employees with properly registered vehicles may park in student parking areas at any time. Employees are subject to the same regulations regarding traffic offenses and appeals of parking fines as are students.

Visitor Parking. Short term (2 hours or less) visitors should park in designated visitor parking spaces and does not need to secure a visitor's parking permit. Visitors who will be on campus for longer periods or who must park in spaces other than those specifically marked for visitors should obtain a visitor's parking permit. Visitors are not permitted to park in reserved spaces. Visitor's permits are available at the main building reception desk and the Security Office. Students may not park in visitor spaces. Visitors are subject to the same regulations regarding traffic offenses and appeals of parking fines as are employees and students.

VIP visitor parking may be reserved by the President's Office and the Office of Institutional Advancement and Development for board meetings and VIP visitors. Other college offices are not authorized to reserve visitor parking. Departments that have frequent or numerous visitors are authorized to issue visitor parking permits for general visitor parking. The standard PVCC temporary hang tag should be used for this purpose.

Liability. PVCC will not be responsible for loss or damage to motor vehicles or their contents while they are on college property. Drivers should use caution and good sense while in the parking areas.
