Program of study at PVCC: _____

List all college transcripts, CLEP/AP scores, military training, etc. to be evaluated:

I understand the following:

- I must be enrolled in a program of study at PVCC.
- The evaluation process will begin only after the start of the semester in which you are enrolled and this form and all transcripts requested for evaluation have been received.
- Transcript evaluation requests should only be submitted if I am planning to complete a degree or certificate program at PVCC.
- Only courses that apply to the declared program of study indicated above will be transferred. I will need to submit another request form if I change my program and would like a re-evaluation for the new program.
- In order to receive transfer credit from another institution, that institution has to be accredited by a regional accrediting agency or association.
- Grades do not transfer and thus will not affect my GPA at PVCC.
- Only credit courses with a grade of "C" or higher will transfer. Grades of "P" or "S" will not transfer unless the transcript legend indicates that it is equivalent to a "C" or higher. Developmental courses do not transfer.
- It is my responsibility to review transfer credit awarded via my SIS account. Any questions should be directed to the Registrar's Office.
- This request covers courses that are a part of the record at the time of the request. Another request will be needed for additional courses taken after this initial request.

TRANSCRIPT EVALUATION REQUEST Q & A's

1. Do I need to have my former transcripts evaluated?

It depends. If you are planning to complete a certificate or degree program at PVCC, you may want to have your transcripts evaluated; however, you are not required to do so. If you are not pursuing a certificate or degree program, do not submit transcripts for an evaluation.

2. I am not seeking a degree at PVCC. However, I wish to take a course at PVCC that requires a prerequisite course which I took at another institution. What do I do?

Bring your unofficial transcript to an advisor in the Admissions and Advising Center. Once they confirm you have met the prerequisite, they will do a manual override to enroll you in the course.

3. Which office is responsible for evaluating my transcripts?

The Registrar/Records Office is responsible for evaluating all college transcripts; international transcripts; AP, IB, and CLEP test scores; and military transcripts.

- The course was already transferred to PVCC from another institution
- The course is beyond the acceptable time frame (if applicable)
- You have already taken the course at PVCC and earned a grade of D or better
- The course is not equivalent to anything PVCC has to offer

11. Some of my transfer credits are EEE's. What does EEE mean?

EEE's are elective credits. You may be awarded EEE credit when one of the following happens:

- The transferring course does not correspond directly to a PVCC course
