Tips for Making Appointments:

When should I schedule an appointment with the Student Success Office?
You can schedule an appointment with student success at any time! We enjoy working with you over an extended period of time to help you find the strength and resources necessary to succeed at PVCC and in life.

How do I know if I need an Academic Plan?
Academic Plans are intended for students who are filing for a SAP appeal with financial aid. If this applies to you, you will get a notice on your SIS account.

What if I don’t know what kind of appointment I need?
If you aren’t sure, select ‘Student Success Meeting.’ This is a general meeting type and we can point you in the right direction.

What is the Natural Bridge Program?
The Natural Bridge Program is a support program for alumni and staff of the Boys & Girls Clubs of Central Virginia, and their families. If you are not yet in the program, but you are a member of one of these groups, schedule a Boys & Girls Club meeting with Liz!

Am I required to meet with a Student Success Advisor?
Students with an Academic Plan are required to meet with a Success Advisor once per month. Other students have an option to meet with an advisor as frequently, or infrequently, as desired.

What if I want to make an appointment with a different office, or for a different service?
The process for making an appointment with other offices has the same basic steps. Just select the appropriate meeting type.

If you have questions you don’t know the answer to, your first stop can ALWAYS be the Student Success Office!
