

F-1 Student Financial Statement

As a student, it is your responsibility to demonstrate that you will have sufficient financial support available to cover all educational and living expenses while studying at PVCC. As an F-1 student, employment options are limited. Therefore, all support must come from one or more of the four areas listed below. Students must maintain access to this amount during their time at the college. PVCC reserves the right to request updated financial statements or support at any time.

Estimated Cost of One Academic Year (2 semesters/9 months):

Living Expenses (housing & food):	\$8,500
Other Expenses (books, supplies, health insurance):	<u>\$3,000</u>
TOTAL:	\$21,000 USD

Dependent Expenses: If you will be accompanied by dependents (spouse and/or child) you must add \$1000 USD per dependent.

All funds must be readily accessible, such as a checking or savings account. *The statement must be recent (dated not more than six months before the date classes will begin).*

This evidence is required to complete an official U.S. government form on which the school official is confirming that financial support is available. Therefore, Piedmont Virginia Community College reserves the right to request additional information or clarification.
