August 15, 2022

The health and safety of our students, staff and faculty are of the utmost importance. As such, we regularly review information made available by the Centers for Disease Control and Prevention (CDC), the Virginia Department of Health, and local health departments for updates on COVID-19 and the steps to maintain a healthy, safe learning environment at Piedmont Virginia Community College (PVCC).

**Quarantine and Isolation**

The CDC website features a quarantine and isolation calculator for you to use to assess your situation and to inform decision making regarding when to stay home, isolate, or quarantine if you are in close contact with someone with COVID-19.

**Masks or Face Coverings**

1. Masks or face coverings are not required on campus or at off-site locations, including the Jefferson School Center and the Eugene Giuseppe Center. However, individuals may voluntarily choose to wear a mask or face covering.

2. Mask requirements at clinical sites and in correctional facilities are to be observed by all PVCC faculty, staff and students.

We will continue to monitor the COVID-19 situation and will provide updates as warranted.

Thank you for helping us maintain a safe, healthy learning and work environment.

Jean Runyon
PVCC President
