¹List of courses that fulfill the requirement for Humanities and Social Science Electives can be found on the back of this sheet.

²Introductory (101 or 102 level) foreign language courses will not meet the humanities elective requirement for this program.

³**Graduation Requirement:** 1. Students entering the Radiography degree program are required to take one Writing Intensive Course, which has a prerequisite of ENG 111 and ENG 112, in order to graduate. The Writing Intensive Course for this program is **RAD 240**. Students who are awarded transfer academic credit for this course at another institution may fulfill the Writing Intensive Course (WIC) requirement for this degree program by completing another Writing Intensive Course (WIC). 2. Earned a cumulative grade point average of at least 2.0 and in good standing.

⁴Completion of general education courses is one criteria used to make admissions decisions.

In programs with two humanities courses, only one 100 level foreign language course may be used to satisfy the humanities graduation requirement.

Note to students transferring credits TO PVCC: Transferred courses may fulfill a requirement under PVCC's approved electives (above). To receive credit for a specific PVCC elective from transferred courses, registrar's approval will be required.

Note to students transferring credits FROM PVCC TO FOUR-YEAR INSTITUTIONS: Although a course fulfills a requirement for a PVCC program, it is possible the same course will not fulfill a requirement at a four-year institution. Students who plan to transfer need to be aware of the four-year institution's requirements.

Note: Students may petition the appropriate dean to substitute a course not listed on this list.
