Additional courses may be accepted at the discretion of the Dean of the Cormier Honors College.
- To graduate with the Honors distinction from Longwood University, PVCC transfer students must complete four additional Honors courses at Longwood University in addition to a senior-level e-portfolio and a credit-bearing study abroad program. The course requirements are described on the Longwood University website (<http://www.longwood.edu/honors/secondary-menu/scholarship/#panel3>).
- If any of the conditions imposed on Longwood University Cormier Honors College students are modified after the signing of this MOU, PVCC transfer students will be held to the revised requirements. The provisions in effect shall bind any PVCC transfer student accepted into the Cormier Honors College under this agreement at the time of acceptance.
- The MOU shall commence on August 2019, with the intent to admit the first students in the Fall 2020 cohort or as soon thereafter as administratively possible.
