*In Fall 2016, students in "General Studies for ____" academic plan codes were moved from the parent program. This included more than 500 pre-nursing students, moved from plan 156-01 to 699. These students are in 699 plan code with a note on their student record. As a result, the VCCS counts them as transfer program students.

**Includes Dual Enrollment

^ Terminology was changed in 2015 from First-Time to New

~Certificates and CSC first reported in 2015, prior to that all certificates and CSC were placed in occupational/ technical

Source: VCCS Student Enrollment Booklets. One FTES (full-time equivalent student) is calculated by dividing the total number of credit hours by 15. Average student load refers to the hours of course work taken by students. Full-time students are those taking 12 or more credit hours of course work. First-time students have never attended college before; transfer students have attended college elsewhere and are new to PVCC; returning students have attended PVCC previously. Occupational/technical students are those enrolled in programs leading toward Associate of Applied Science (AAS) degrees or certificates; college transfer students are those enrolled in programs leading toward Associate of Arts (AA) or Associate of Science (AS) degrees; unclassified students, including dual enrolled students, are not enrolled in any curricular programs. Other-race students include American Indians and Alaskan natives, Asians and Pacific islanders, Hispanics, and students who classify themselves as *other*. Off-campus students are those who take all classes at a location other than the main PVCC campus. Evening students are those who take only evening classes. Data reported is unduplicated. Program area is unduplicated by primary academic plan.
