** Interested in a class that’s not in the Summer 2018 schedule? Contact PVCC at 434.961.5354 or workforce@pvcc.edu. It might be available!

For more information visit www.pvcc.edu/fastforward
To check eligibility and apply, contact Angi Constantino at fastforward@pvcc.edu or 434.961.5354.

Note: As a condition of receiving the grant, all students are required to sign the Fast Forward Release Form. This form specifies that if a student does not successfully complete the course, he or she is responsible for paying an additional 1/3 of the total course cost to PVCC.

Look for this symbol throughout the catalog for Fast Forward qualified classes.
To register for Fast Forward Classes, call 434.961.5354
Solar Technician Associate

August 6–10, 2018
8:30 a.m.–5 p.m.

This course will introduce you to photovoltaic (PV) design, installation, and maintenance of PV systems. The classroom theory and hands-on training will cover the following learning objectives:

- PV markets and applications
- Safety basics
- Electricity basics
- Solar energy fundamentals
- PV module fundamentals
- System components
- PV system sizing principles
- PV system electrical design
- PV system mechanical design and performance analysis
- Maintenance and troubleshooting

At the end of the course, students will be eligible to sit for the North American Board of Certified Energy Practitioners (NABCEP) Photovoltaic Associate (PVA) Exam. The PVA credential is intended for people who are currently working in, or seeking employment in, the renewable energy industry.

$1,425
Virginia has a
GROWING SOLAR ENERGY INDUSTRY

“The commitments to renewable energy included in this bill will catapult Virginia to the forefront of the clean energy movement and position the commonwealth as the most active state in the nation for new solar development,” said Devin Welch, co-founder of Charlottesville-based Sun Tribe Solar.

PHOTOGRAPHY

Nature Photography Workshop

$449

During this workshop you will have ample opportunity to work on grand landscapes, intimate landscapes, macro shots and panoramas. The lecture will cover equipment, shooting techniques and composition. This class is geared to intermediate and advanced level photographers, but beginners that have a good grasp on camera basics are welcome. Victoria has led workshops for over 10 years and has been shooting up in the mountains for over 17 years in all seasons. You will follow Skyline Drive and the Blue Ridge Parkway to some of Victoria’s favorite spots. Equipment: DSLR or mirrorless camera with manual mode options, a tripod circular polarizer filter, and a tripod.

Note: Carpooling for field trips is encouraged. A National Park Pass is required for this class.
Field trip sessions are scheduled the evening of Friday, June 1, the morning and evening of Saturday, June 2 and the morning and evening of Sunday, June 3. Exact times depend on the weather.

11791  May 31–Jun. 4  M, Th  6–8 p.m.  Dye

Summer Travel Photography Series

$299

Want to take interesting and memorable travel images? This class emphasizes travel and street photography through five lecture and critique sessions and four field trips. Lectures teach technical and compositional techniques for this style of photography. Then you’ll head to the downtown mall each week to put what you learned into practice. Each student will give a themed presentation at the final class. This class will prepare you for capturing great images on your next vacation. Course requirements: DSLR or mirrorless camera with manual mode options. A tripod with off-camera flash is helpful but not required. You must know how to use your camera in the manual modes (manual, aperture and shutter priority) or have taken Intermediate Photography. Students should also know how to download and email images for critique/review sessions. Please contact instructor for questions on admission requirements.

Field trips are scheduled from 6–8 p.m. on the following Fridays: July 20, July 27, August 3, August 10.

11787  Jul. 18–Aug. 15  W, F  6–8 p.m.  Dye
BUSINESS & ACCOUNTING

Passport to Retirement

Get retirement ready and be better prepared to make sound financial decisions! Where will your income come from? It’s not too late to learn how to set realistic retirement goals and assess their cost, identify your income options, learn where to invest now for your future, and how to protect your wealth and provide for your family and heirs. Registration fee includes an in-depth workbook and retirement planning data form.

Note: On a space-available basis, you may bring one guest at no charge. After you enroll online, please call 434.961.5354 to check availability and to enroll the guest in the class.

10660  May 10–24  Th  6–8:30 p.m.  Bays

ENTREPRENEURSHIP

Selling on eBay for Fun & Profit

Join the millions of eBay sellers whether you have a business or just want to clean out your closets. Establish eBay and PayPal accounts, then create effective listings, including item descriptions and photos. Determine how to set pricing and when to use fixed-price options, and discover how to leverage the eBay search feature for best exposure to potential buyers. See how to maximize your profit and minimize your cost. Bill Jackameit has over 35 years of experience in leadership and administrative positions in higher education. He has been an eBay seller for over 20 years.

10636  May 16–17  W, Th  8:30–11:30 a.m.  Jackameit

computers

CompTIA A+

This 60-hour class will prepare you for the CompTIA A+ certification exam. CompTIA A+ exam is globally recognized, vendor-neutral exam designed for IT professionals. This class covers network connectivity issues, mobile device hardware, networking and troubleshooting hardware, and PC hardware and peripherals. You will learn iOS, Android, Apple OS X and Linux, security, the fundamentals of cloud computing and operational procedures, and installing and configuring operating systems including Windows. This course includes the exam voucher.

Class will begin after July 1. Call 434.961.5354 for dates and times.

Customizable Class. Get training and services customized to fit your company. See page 22 for more information.

To register for Fast Forward classes, call 434.961.5354.
**Winning New Jobs**

FREE

While the primary purpose of this workshop is to aid job seekers in obtaining employment, other benefits include the enhancement of participants’ self-efficacy, self-esteem and social assertiveness. Training covers: active/learning skills that include preparing, researching and practicing for the job search; inoculation against setback including how to anticipate possible barriers and overcome those barriers thorough problem solving; social support including how to collaborate on the job with peers and supervisors; enhanced self-efficacy including how to identify, assess, and utilize specific skills necessary to retain a job; and referent power, which is the ability to build trust and reduce social distance.

**ATTENTION ADULT LEARNERS!**

**TJACE is now at PVCC**

TJACE@PVCC offers instruction to area adults to help them enhance their core skills to get their high school diploma or GED® and to help improve reading, writing, and speaking skills for both native English speakers and speakers of other languages.

TJACE focuses on these core skills:

- Reading
- Writing
- Math
- Science
- Social Studies
- Computer Skills
- Workplace Skills

Learn more at www.pvcc.edu/tjace

---

**CompTIA Network+**

CT

$1,596

This 40-hour course is intended for entry-level computer support professionals with a basic knowledge of computer hardware, software, and operating systems. Increase your knowledge of networking concepts and acquire the required skills to prepare for a career in network support or administration. This class prepares you for the CompTIA Network+ certification (Exam N10-006). This course includes a voucher for the exam. This class will be available after July 31, 2018.

---

**CompTIA Security+**

CT

$1,500

This 32-hour class prepares you for the CompTIA Security+ certification exam. CompTIA Security+ is an entry-level, international, vendor-neutral credential designed for IT security professionals to identify risk, participate in risk mitigation activities, provide infrastructure, information, operational, and application security. This class will be available after July 31, 2018.
CPR

CPR AED/First Aid or BLS for Healthcare Provider: Skills Check Only  

PVCC offers monthly skills checks for your CPR certification. This is a two-hour, hands-on skills practice and testing session (Parts 2 and 3) with an American Heart Association instructor that follows the Online Part 1 course. To complete Part 1, visit www.onlineaha.org/courses. Click on BLS–Basic Life Support then click Heartcode BLS. (There is a separate fee for Part 1) Students who successfully complete Part 1 receive a certificate, which they print out and present to the instructor at the skills and testing session. A course completion card will be issued upon successful completion of all three parts. Fee includes certification card. Skills checks are available for Heartsaver CPR AED and First Aid and for BLS for Healthcare Providers. Call to schedule your two-hour appointment. Appointments are first-come, first-served. These appointments will be scheduled during the class hours listed.

Note: Online registration is not available for this class. Please call Workforce Services at 434.961.5354 and a staff member will enroll you.

10751  May 7  M  10 a.m.–2 p.m.  Gaines

Customizable Class. Get training and services customized to fit your company. See page 22 for more information.

CPR BLS for Healthcare Provider: Complete Class  

BLS for Healthcare Providers is an American Heart Association course designed to provide a wide variety of certified or noncertified, licensed or non-licensed, health care professionals with the skills to keep people alive until they can be brought to a hospital or be treated with more advanced lifesaving measures. This course includes the skills of CPR, use of an AED and relief of choking for adults, children and infants. Students must pass a written exam and skills test in order to qualify for a BLS for Healthcare Provider Course Completion Card.

HEALTH CAREERS

Certified Nurse Aide

This 136-hour state approved noncredit class prepares you to take the Virginia exam to become a certified nurse aide (CNA) where you will work under the supervision of a licensed practical nurse, registered nurse, or physician as an entry-level nurse aide in a variety of inpatient and outpatient care settings such as long-term care facilities, physician offices, clinics and home settings. You must attend a Health Care Information Session prior to enrollment. See page 11 for upcoming session dates and times.

- 11792 May 14-Jul. 18 M, W, S 5-9 p.m. Commonwise
- 11804 Jun. 4-Aug. 11 M, Th, S 6-9:30 p.m.

CNA Prep Class

This class will prepare students who have passed the first year of accredited RN courses or a Virginia Board of Nursing Approved Nurse Aide Training class to take the Virginia Nurse Aide exam. The six-hour class will review exam-specific test taking strategies, steps to accurately complete the skills assessment and registration/test day procedures so students will have better preparation for success in passing the exam. Financial assistance is available for those who qualify, please contact Sarah Mendoza in the Community Self-Sufficiency Programs Division at smendoza@pvcc.edu or 434.961.5310.

Classes begin in June and August. Visit www.pvcc.edu/workforce for dates and times.

Medication Aide

Successful completion of PVCC’s Medication Aide Training Program meets the requirements of the Virginia Board of Nursing for a student to be eligible to sit for the state exam to become a Registered Medication Aide (RMA). This program will cover topics such as legal and ethical issues; preparing for safe administration of medication; introduction to pharmacology; administration of prepared instillations and treatments (oral medications, eye, ear, nose, etc.); documentation, storage, and disposal of medications; special issues in medication administration; and insulin administration. Students will be required to have 100% attendance in both class and clinical, provide a copy of their active, unrestricted Virginia CNA certificate, and submit a background check, drug screen, and PPD (negative TB testing) prior to start of class. You must attend a Health Care Information Session prior to enrollment. See page 11 for upcoming session dates and times.

Class will begin in August. Visit www.pvcc.edu/workforce for dates and times.

To register for Fast Forward classes, call 434.961.5354.

Pharmacy Tech Program with Clinical Externship

$1,599

Prepare to become a pharmacy technician in a retail setting. Study the fundamentals of the pharmacy, as well as the role of a pharmacy technician. See how to process a prescription, create non-sterile compounds, and ensure proper medication safety and management. Additional topics include pharmaceutical measurements and dosage calculations, basic medication safety, types of drugs, the activities of the community and institutional pharmacy, non-sterile compounding, sterile procedures and practices, and therapeutic agents. You will also identify career options for pharmacy technicians and steps in the job search process. This program includes an externship. Upon successful completion of this course, you may sit for the ExCPT exam offered by the National Healthcare Association. This certification allows you to apply for Virginia registration as a pharmacy technician. Please research prospective employers to see if they require a certification. Additional Costs to the Student: Criminal background check, drug test, and physical exam with TB test results. These items will be due by midway point of the program. Prerequisite: High school graduate or GED® holder. You must attend a Health Care Information Session prior to enrollment.

Visit www pvcc edu/workforce for dates and times.

Health Care Information Sessions

Students interested in pursuing health care training through PVCC Workforce Services Division must attend an Information Session prior to enrollment.

Pre-Register by calling Workforce Services at 434.961.5354.

To register for the PVCC Commercial Driver’s License (CDL) class, please contact Mike Marcotte with Shipper’s Choice at 434.961.5367.

Prerequisites: CDL Learner’s Permit and VDOT physical exam, cost not included in the tuition.

Full-time class start dates: 7/9, 8/6, 9/3, 10/1, 10/29, 11/26

Part-time class start dates: 9/8, 11/17

Heavy and Tractor-Trailer Truck Drivers Job Prospects

Employment of heavy and tractor-trailer truck drivers is projected to grow six percent from 2016 to 2026.

Job prospects for heavy and tractor-trailer truck drivers with the proper training and a clean driving record are projected to be very good. Because of truck drivers’ difficult lifestyle and time spent away from home, many companies have trouble finding and retaining qualified long-haul drivers. In addition, many truck drivers are expected to retire in the coming years, creating even more job opportunities.

CONSTRUCTION

National Center for Construction Education Resources (NCCER) Courses

Coming this fall!

NCCER Core Craft
The NCCER core curriculum is a prerequisite to all Level 1 and beyond craft curriculum. Class modules cover topics such as basic safety, communication skills and introduction to construction drawings.

NCCER Electrical Levels 1-4 (9th Edition)
To prepare trainees a career in the electrical field, NCCER offers a comprehensive, four-level electrical curriculum that complies with DOL time-based standards for apprenticeship.

NCCER Plumbing Levels 1-4
Plumbers install, maintain, and repair many different types of pipe systems. Some systems move water to a municipal water treatment plant and then to residential, commercial, and public buildings. Other systems dispose of waste, provide gas to stoves and furnaces, or supply air conditioning. Pipe systems in power plants carry the steam that powers huge turbines. Pipes also are used in manufacturing plants, such as wineries, to move material through production processes.

NCCER’s four-level curriculum covers topics such as plumbing tools, types of valves, and potable water treatment.

NCCER HVAC Levels 1-4
NCCER’s four levels, North American Technician Excellence (NATE) recognized, present theoretical and practical skills essential to your success as an HVAC installer or technician.

NCCER Pipefitting
NCCER offers a four-level pipefitting curriculum that covers topics such as threaded pipe fabrication, excavations, and steam traps.

NCCER Masonry
NCCER’s three-level curriculum encompasses modules such as mortar, metalwork in masonry, and estimating.

NCCER Fundamentals of Crew Leadership
This module will teach the skills needed to be an effective leader, including the ability to communicate effectively, provide direction to a crew and effectively plan and schedule the work of a crew.

To register for Fast Forward classes, call 434.961.5354.

ACADEMIC CAREER TESTS
Pre/Post-tests are created for secondary career and technical education. These tests are formerly known as the National Construction Career Tests (NCCT). Pre/Post-tests align with industry skill standards based upon NCCER's curriculum.
Basic Contractor Licensing

This is a pre-licensing class required by the Virginia Board of Contractors covering the laws and regulations for contractors in Virginia. Also includes the State Building Code, types of licenses, prohibited acts, business structure, and more. Class cost includes a manual. Taught by an experienced contractor who will share his experiences and answer your questions.

10644 May 5 S 9 a.m.–5:30 p.m. Gauldin

Certified Apartment Maintenance Technician

Offered in partnership with the National Apartment Association Education Institute (NAAEI) and the Virginia Apartment Management Association (VAMA), this 83-hour class includes classroom sessions, hands-on experience, and an online component. The class will provide you with the knowledge and hands-on training to gain entry and advance as a maintenance technician in the residential property or commercial building industry throughout the U.S. At the end of this course, you are eligible to sit for the Certified Apartment Maintenance Technician (CAMT) Certification Exam. Students that pass the CAMT exam will receive their provisional certificate from NAAEI. After completing one year of experience in the industry, NAAEI will grant students their full certificate.

Note: Financial aide may be available for this class. For more information contact Greg Rosko 434.961.5227 or grosko@pvcc.edu.

Registration for this class closes seven business days before the start of the class. Registration ends for this class on Aug. 4, 2018 at 12 a.m.

12174 Aug. 11–Oct. 27 S 9 a.m.–5:30 p.m. Sullivan
WELDING

All welding classes are taught by Steve Brownell at the VA School of Metal, 102-A Industrial Drive, Troy, VA 22974.

These classes are being offered at the VA School of Metal every other weekend beginning on May 12, 8 a.m.–4 p.m. Saturday & Sundays. Please contact PVCC Workforce Services at 434.961.5354 to register.

Introduction to Air Conditioning

Learn the basics of air conditioning systems, including tools, fasteners, tubing, copper, soldering/brazing, thermodynamic principles, the relationship of temperature and pressure, system components, refrigerants, service procedures (recovery/recycling, evacuation, leak detection, charging), metering devices, basic troubleshooting, controls, and compressors. After completing the course students will have the opportunity to test for the EPA Section 608 for HVACR.

12184 Aug. 22–Oct. 4 W, Th 6–9 p.m.

Basic Certified Welder

Certification training consists of 112 hours, and includes classroom lecture, practice and final test. Upon successful completion of the course and passing the test, students will be A.W.S. D1.1 certified for structural welding. Primary emphasis will be on stick welding, properly known as Shielded Metal Arc Welding (SMAW). Classes must be taken in order. Classes held at the VA School of Metal, 102-A Industrial Drive, Troy, VA 22974.

| Week 1 & 2 | 1G position (on flat plate) |
| Week 3 & 4 | 2G position (Horizontal) |
| Week 5 & 6 | 3G position (Vertical up) |
| Week 7 | 4G position (overhead) |

GMAW Welding Certification

Certification training consists of 80 hours. Testing will be in the 3G (vertical up) position.

| Week 1 | 1G position (On flat plate) |
| Week 2 | 2G position (Horizontal) |
| Week 3 | 3G position (Vertical up) |
| Week 4 | 4G position (Overhead) |
| Week 5 | 4G & 3G position |

Easy Online Registration

Sign up for noncredit classes online at www.pvcc.edu/workforce
Certified Pipe Welding

Certification training consists of 112 hours and includes classroom lecture, practice and final test. Prerequisite: Two to three years experience in stick welding and have a 3G (vertical up) certification and or able to pass a 3G (vertical up) certification before taking the course. Upon successful completion of the course and passing the test, students will be A.W.S. QC7-93 certified for pipe welding. Primary emphasis will be on stick welding, properly known as Shielded Metal Arc Welding (SMAW). Classes must be taken in order. Topics include the basics of pipe welding using 6010 and 7018 electrodes, welding full penetration groove welds in the 2G (vertical), 5G (horizontal fixed) and 6G (inclined) positions, and prepping and fitting techniques. Testing will take place in the 6G (inclined) position.

| Week 1     | 1-G rolled flat position |
| Week 2     | 2-G horizontal in a fixed position 45 degrees |
| Week 3 & 4 | 2-G horizontal & 5G vertical in a fixed position 45 degrees |
| Week 5 & 6 | 5-G a & 6-G in a fixed position 45 degrees |
| Week 6 & 7 | 6-G pipe in a fixed position 45 degrees |

INTRO TO WOODWORKING

Intro to Woodworking Part 1: Design, Drawings & Equipment

Experience the simplicity and creativity of woodworking while learning the basics of wood types and joinery, use of hand and power tools, and safety guidelines. Select, design, and begin to build a project for your home such as a nightstand, small bench, bookcase, toolbox, or perhaps a shelf and brackets. Price includes materials and use of tools in the RW Miller workshop in Faber (Nelson County).

12205 May 8-24 T, Th 6:30–9 p.m.
R.W. Miller Woodwork

Woodworking Part 2: Exploring Joinery

How many ways are there to join wood to build a cabinet, bookcase or other piece of furniture? You’ll find out in this joinery exploration class. Start with the function of the piece and consider your options for a solid and simple design. Apply these skills to your projects. Prerequisite: Some woodworking experience.

12206 Jun. 5-21 T, Th 6:30–9 p.m.
R.W. Miller Woodwork

Woodworking Part 3: Assembling & Finishing

Continue to learn new woodworking techniques and tool usage while completing projects. Perfect for those with a little experience with woodworking equipment and procedures who want to improve their knowledge of tools. You will be introduced to the finishing process as it applies to your project.

12189 Jul. 10-26 T, Th 6:30–9 p.m.
R.W. Miller Woodwork

**BREWING**

**General Certificate in Brewing**

$1,575

This 15-week, 90-hour program includes both classroom sessions and hands-on experience in breweries. At the end of the program, you will be eligible to sit for the General Certificate of Brewing Exam offered by the Institute of Brewing & Distilling. The General Certificate in Brewing (GCB) is an internationally recognized credential. It gives you a basic knowledge of brewing, packaging, and associated brewery operations and prepares you for employment in the brewing industry. The GCB is designed for candidates who may have little or no formal academic or technical qualifications. Class tuition does not include GCB exam fee. Must be 21 years of age to register.

**Legal Issues in the Wine Industry**

$129

Virginia’s wine lawyer, Marybeth Williams, walks students through the legal intricacies and important regulations that the serious wine grower needs to know to survive in the wine business. Discover the hot issues facing Virginia wineries while Marybeth makes this class fun with tons of materials and resource information supplied.

10670  May 5  S  9 a.m.–5 p.m.
Cardinal Point Winery

**Pest Control**

$129

How can you control pests and weeds without compromising the quality of the fruit? Learn about various types of pests and the damage they can cause. Lunch is included.

12178  Jul. 28  S  9 a.m.–5 p.m.
Rausse

---

**Canopy Management**

$129

Identify various types of canopy styles with the objective of managing the vineyard and keeping your business objectives in mind: quantity vs. quality. Topics include hedging, leaf pulling and dropping fruit.

10672  Jun. 2  S  9 a.m.–5 p.m.  Busching
Vineyard Spraying $129

To grow healthy ripe fruit, free of disease, a working knowledge of chemical spraying is essential. See how applying fungicides, pesticides and herbicides can benefit your vineyard or cause damage if not applied properly. Understand why a rotational spray program is so critical and how to safely apply sprays. Additional topics include herbicide ground sprays, tank mixing, calibration of tractor and spray unit and foliar nutrient applications.

10732 Jun. 16 S 9 a.m.–5 p.m.
First Colony Winery

Wine Bottling $129

Covers the final stages of fermentation in preparation for bottling, including equipment used, selection of bottles and labeling. Includes hands-on experience.

12187 Aug. 4 S 9 a.m.–5 p.m.
Gabriele Rausse Winery Rausse

Wine Tasting & Analysis $129

Do you know “farming the grapes” affects their taste and aroma? Can you recognize your personal capabilities in wine tasting? Become a competent wine taster by learning the essentials of professional tasting.

10671 May 12 S 9 a.m.–5 p.m.
King Family Vineyards Brown

Career Training with ed2go

Prepare for a new career in healthcare, business, IT and other fields.
Visit:  http://careertraining.ed2go.com/piedmont

COMPUTER PROGRAMMING
Prepare for a career in software development or web development with online programming courses and programs. Programs include sought after programming languages, like Java, C#, and HTML5.

BUSINESS
Online management training and business skills programs can help you enter a new career field or advance your current skillset. Select programs even prepare you for industry-recognized certifications, such as Lean Six Sigma or PMP.

LEGAL
Did you know you can earn your paralegal certificate online? You can also become a certified mediator and arbitrator. Each of these online training programs enables you to prepare for various legal careers.

TEACHER PROFESSIONAL DEVELOPMENT
Whether you want to run an in-home daycare or want to learn more about child development, these online trainings are perfect for teachers or hopeful childcare professionals, alike.
PVCC Workforce Services provides dynamic customized training and services that respond to the specific needs of companies. Our industry-trained instructors will collaborate with your company to determine learning outcomes, design a just-in-time training solution and deliver classes when and where it works best for you. Your place or ours!

Some examples of training at work:
- Consulting & Coaching
- Leadership/Supervision Training
- Computer Training
- CDL
- CPR/First Aid
- OSHA/Safety/Forklift
- Project Management

Or we can customize to your company’s training needs.

To schedule your company’s training:
Call Kathy Reid at 434.961.5330 or email customizedtraining@pvcc.edu
www.pvcc.edu/customizedtraining

Look for this icon throughout the schedule to find a customizable class.

Refund Policy:
Participants must withdraw from a class at least 5 business days before that class is scheduled to begin to receive a full refund. No refunds will be provided after this time. Refund requests must be made in writing by mail, fax 434.961.5270 or email workforce@pvcc.edu. Include your name, student ID number, course title and reason for refund. Please note: If a student is registered by a WFS Staff member or pays by check, your Social Security No. will be necessary in order to provide a refund check from the State of Virginia. Refund checks from the State of Virginia take 3-5 weeks to process.

Nondiscrimination Statement
Piedmont Virginia Community College is an equal opportunity institution providing educational and employment opportunities, programs, services, and activities. PVCC does not discriminate on the basis of age, color, disability, family medical history or genetic information, military service, national origin, parental status, political affiliation, race, religion, sex (including pregnancy and gender identity), sexual orientation, or any other non-merit base factor. The College also prohibits sexual harassment including sexual violence or misconduct. The following person has been designated to handle inquiries regarding any of these policies: Human Resources Manager, 501 College Dr., Main Building, Room M810, Charlottesville, VA 22902; 434.961.6567.
