

The Betty Sue Jessup Library

This booklet contains an alphabetical list of periodical, newspaper, and index titles to which the Betty Sue Jessup Library currently subscribes. Included in this listing are back issues of journals held by the library. *This booklet does not include information on periodical titles available electronically.*

Unless indicated otherwise, all periodicals are housed in the periodical room (Room 702). The current year's periodicals are located on the display shelf along the wall to the left of the entrance while back issues maintained are on the opposite side of the room. Please note that the current issues of certain periodicals are housed in the reading room.

The Jessup Library provides access to an array of electronic indexes and databases, many of which include full-text articles. Collections of electronic journals are also accessible to library patrons through the VIVA initiative. To find full-text journal articles electronically, consult the Online Journal Locator on the library's homepage. Please ask a reference librarian to assist you if you need help searching for journal articles.

An index of periodicals *by subject* is located at the end of this booklet.
