PIEDMONT VIRGINIA COMMUNITY COLLEGE

XII – PUBLIC SAFETY POLICIES

XII – 300.0 STANDARDS OF CONDUCT POLICY

Policy #: XII – 300.0
Effective: 3/16/2015
Responsible Dept.: Finance and Administrative Services/Public Safety

I. PURPOSE

It is the purpose of this policy to provide additional specificity to the standards of conduct embodied in the law enforcement officer’s code of ethics and this agency’s statement of values and the Virginia Department of Human Resources (DHRM) employee handbook so that officers of this agency will better understand prohibitions and limitations pertaining to their conduct and activities while on and off duty. The rules of conduct set forth in this policy are not intended to serve as an exhaustive treatment of requirements, limitations, or prohibitions on officer conduct and activities established by this agency. Rather, they are intended to (1) alert officers to some of the more sensitive and often problematic matters involved in police conduct and ethics; (2) specify, where possible, actions and inactions that are contrary to and that conflict with the duties and responsibilities of law enforcement officers, and (3) guide officers in conducting themselves and their affairs in a manner that reflects standards of deportment and professionalism as required of law enforcement officers. Additional guidance on matters of conduct is provided in regard to specific policies, procedures, and directives disseminated by this agency.

II. POLICY

Actions of officers that are inconsistent, incompatible, or in conflict with the values established by this agency negatively affect its reputation and that of its officers. Such actions and inactions thereby detract from the agency’s overall ability to effectively and efficiently protect the public, maintain peace and order, and conduct other essential business. Therefore, it is the policy of this law enforcement agency that officers’ conduct themselves at all times in a manner that reflects the ethical standards consistent with the rules contained in this policy and otherwise disseminated by this agency.

III. DEFINITIONS

Accountability: In the context of this policy, accountability means the duty of all officers to truthfully acknowledge and explain their actions and decisions when requested to do so by an authorized member of this agency without deception or subterfuge.
